PRESS RELEASE

Woolworths Gives \$150,000 to Flood Appeal

Woolworths Limited has announced a \$150,000 donation to the Queensland Premier's Disaster Relief Appeal for emergency assistance in flood-affected North Queensland.

Woolworths supermarkets throughout the State will also become additional collection points for cash donations to the Appeal.

Woolworths has been working hard to try and maintain food supplies to supermarkets in the wake of road and rail link closures. Whilst the supply situation has eased in Townsville, Mackay, Charters Towers and Mt Isa, availability will remain limited in Cairns and surrounding areas until later in the week.
