by

WOOLWORTHS GROUP LIMITED

Under the U.S.\$2,000,000,000 Medium Term Note Programme described in this Offering Circular (the "**Programme**"), Woolworths Group Limited (formerly known as Woolworths Limited) and Woolworths Management Pty Limited, acting through its New Zealand branch ("**Woolworths NZ**"), and together with Woolworths Group Limited, the "**Issuers**", and each an "**Issuer**", provided that in respect of the AMTNs (as defined below), "**Issuer**" shall only refer to Woolworths Group Limited, subject to compliance with all relevant laws, regulations and directives, may from time to time, issue medium term notes (the "**Notes**"). In respect of Notes issued by Woolworths NZ, the payment of principal and interest will be unconditionally and irrevocably guaranteed (the "**Guarantee of the Notes**") by Woolworths Group Limited (in such capacity, the "**Guarantor**"). Notes may be issued in bearer or registered form as agreed by the relevant Issuer, and as the case may be, the Guarantor and the relevant Dealer (as defined below). The aggregate nominal amount of Notes outstanding will not at any time exceed U.S.\$2,000,000,000 (or its equivalent in other currencies). The Notes may be issued on a continuing basis to any Dealer appointed under the Programme from time to time by each Issuer (each a "**Dealer**" and together the "**Dealers**"), which appointment may be for a specific issue of Notes or on an ongoing basis. References in this Offering Circular to the "**relevant Dealer**" shall, in the case of an issue of Notes being (or intended to be) subscribed for by more than one Dealer, be to all Dealers agreeing to subscribe for such Notes. Woolworths Group Limited may issue Notes under the Programme in the form of medium term notes denominated in Australian dollars, issued in the Australian domestic capital market and governed by the laws of New South Wales, Australia ("**AMTNs**").

Application will be made to the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") for permission to deal in and quotation for any Notes that may be issued pursuant to the Programme and which are agreed at or prior to the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST (the "**Official List**"). The SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions expressed or reports contained herein. Admission to the Official List and quotation of any Notes on the SGX-ST are not to be taken as an indication of the merits of the Issuers, the Guarantor, the Programme or the Notes. Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche of Notes will be set out in the Pricing Supplement.

The relevant Pricing Supplement in respect of the issue of any Notes will specify whether or not such Notes will be listed on the SGX-ST or any other stock exchange.

The Notes of each Series issued in bearer form ("**Bearer Notes**") will be represented on issue by a temporary global note in bearer form (each a "**Temporary Global Note**") or a permanent global note in bearer form (each a "**Permanent Global Note**") (collectively, the "**Global Note**"). Notes (other than AMTNs) in registered form ("**Registered Notes**") will be represented by registered certificates (each a "**Certificate**"), one Certificate being issued in respect of each Holder's entire holding of Notes in registered form of one Series. Global Notes and Certificates may be deposited on the relevant issue date with a common depository on behalf of Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream, Luxembourg**"). The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "**Summary of Provisions Relating to the Notes while in Global Form**". AMTNs will be issued in registered uncertificated form and will take the form of entries on a register established and maintained by a registrar in Australia and may be lodged with the clearing system operated by Austraclear Ltd ("**Austraclear**").

The Notes and the Guarantee of the Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States, and the Notes may include Bearer Notes that are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold, or, in the case of Bearer Notes, delivered within the United States. Registered Notes are subject to certain restrictions on transfer, see "Subscription and Sale**".**

The Issuers and, where relevant, the Guarantor may agree with any Dealer that Notes may be issued in a form not contemplated by the Conditions of the Notes herein, in which event a supplementary Offering Circular, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

IMPORTANT – EEA RETAIL INVESTORS – If the Pricing Supplement in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**") ; (ii) a customer within the meaning of Directive 2002/92/EC ("**IMD**") , where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the "**Prospectus Directive**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II Product Governance/Target Market – The Pricing Supplement in respect of any Notes will include a legend entitled "MiFID II Product Governance/Target Market" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "**MiFID Product Governance Rules**"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

Investing in Notes issued under the Programme involves certain risks and may not be suitable for all investors. Investors should have sufficient knowledge and experience in financial and business matters to evaluate the information contained in this Offering Circular and in the applicable Pricing Supplement and the merits and risks of investing in a particular issue of Notes in the context of their financial position and particular circumstances. Investors also should have the financial capacity to bear the risks associated with an investment in Notes. Investors should not purchase Notes unless they understand and are able to bear risks associated with Notes. The principal risk factors that may affect the abilities of each Issuer and, where relevant, the Guarantor to fulfil its obligations in respect of the Notes are discussed under "*Risk Factors*" below.

The date of this Offering Circular is 5 October 2018

The Issuers, having made all reasonable enquiries, confirm that the Offering Circular contains all information which is (in the context of the Programme or the issue, offering and sale of the Notes) material; such information and any information contained in marketing and roadshow materials provided by or approved in writing by the Issuers (together, "**Marketing and Roadshow Materials**") is true and accurate in all material respects and is not misleading in any material respect; any opinions, predictions or intentions expressed in the Offering Circular or any Marketing and Roadshow Materials are honestly held or made and are not misleading in any material respect; the Offering Circular and any Marketing and Roadshow Materials do not omit to state any material fact necessary to make such information, opinions, predictions or intentions (in the context of the Programme or the issue, offering and sale of the Notes) not misleading in any material respect; and all proper enquiries have been made to ascertain or verify the foregoing.

Each Tranche (as defined herein) of Notes will be issued on the terms set out herein under "*Terms and Conditions of the Notes*" (the "**Conditions**") as amended and/or supplemented by the Pricing Supplement specific to such Tranche. This Offering Circular must be read and construed together with any amendments or supplements hereto and with any information incorporated by reference herein and, in relation to any Tranche of Notes, must be read and construed together with the relevant Pricing Supplement.

The distribution of this Offering Circular and any Pricing Supplement and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Offering Circular comes are required by the Issuers, the Guarantor, the Arranger and the Dealers to inform themselves about and to observe any such restrictions. None of the Issuers, the Guarantor, the Arranger or the Dealers represents that this Offering Circular or any Pricing Supplement may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuers, the Guarantor, the Arranger or the Dealers which would permit a public offering of any Notes or distribution of this Offering Circular or any Pricing Supplement in any jurisdiction where action for such purposes is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and none of this Offering Circular, any Pricing Supplement or any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations.

There are restrictions on the offer and sale of the Notes and the circulation of documents relating thereto, in certain jurisdictions including, but not limited to, the United States of America, the European Economic Area, the United Kingdom, Australia, New Zealand, Hong Kong, Japan, Singapore, Switzerland and the Netherlands, and to persons connected therewith. The Notes and the Guarantee of the Notes have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and may include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or, in the case of Bearer Notes, delivered within the United States. The Notes are being offered and sold outside the United States in reliance on Regulation S under the Securities Act. For a description of certain restrictions on offers, sales and transfers of Notes and on the distribution of this Offering Circular, see "*Subscription and Sale*".

IMPORTANT – EEA RETAIL INVESTORS – If the Pricing Supplement in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of IMD, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by the PRIIPs Regulation for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

This Offering Circular is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see "*Information Incorporated by Reference*"). This Offering Circular shall be read and construed on the basis that such documents are incorporated and form part of this Offering Circular.

No person has been authorised by the Issuers or the Guarantor to give any information or to make any representation not contained in or not consistent with this Offering Circular or any other document entered

into in relation to the Programme and the sale of Notes and, if given or made, such information or representation should not be relied upon as having been authorised by the Issuers, the Guarantor, the Arranger or any Dealer.

Neither the delivery of this Offering Circular or any Pricing Supplement nor the offering, sale or delivery of any Note shall, in any circumstances, create any implication that the information contained in this Offering Circular is true subsequent to the date hereof or the date upon which this Offering Circular has been most recently amended or supplemented or that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the prospects or financial or trading position of the Issuers or the Guarantor, as applicable, since the date thereof or, if later, the date upon which this Offering Circular has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Neither this Offering Circular nor any Pricing Supplement constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by the Issuers, the Guarantor, the Arranger, the Dealers, or any director, officer, employee, agent or affiliate of any such person or any of them that any recipient of this Offering Circular or any Pricing Supplement should subscribe for or purchase any Notes. Each recipient of this Offering Circular or any Pricing Supplement shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

The maximum aggregate principal amount of Notes outstanding at any one time under the Programme will not exceed U.S.\$2,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into U.S.\$ at the date of the agreement to issue such Notes calculated in accordance with the provisions of the Dealer Agreement). The maximum aggregate principal amount of Notes which may be outstanding at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Dealer Agreement as defined under "*Subscription and Sale*".

In connection with the issue of any tranche of notes, the dealer or dealers (if any) named as the stabilisation manager(s) (or persons acting on behalf of any stabilisation manager(s)) in the applicable pricing supplement may outside Australia and on a market operated outside Australia over allot notes or effect transactions with a view to supporting the price of the notes at a level higher than that which might otherwise prevail for a limited period after the relevant issue date. However, there is no obligation on such stabilisation manager(s) to do this. Such stabilisation, if commenced, may be discontinued at any time, and must be brought to an end after a limited period. Such stabilisation shall be in compliance with all applicable laws, regulations and rules.

PRODUCT CLASSIFICATION PURSUANT TO SECTION 309B OF THE SECURITIES AND FUTURES ACT (CHAPTER 289 OF SINGAPORE) – The Pricing Supplement in respect of any Notes may include a legend entitled "Singapore Securities and Futures Act Product Classification" which will state the product classification of the Notes pursuant to section 309B(1) of the Securities and Futures Act (Chapter 289 of Singapore) (the "SFA") . The Issuer will make a determination in relation to each issue about the classification of the Notes being offered for purposes of section 309B(1)(a). Any such legend included on the relevant Pricing Supplement will constitute notice to "relevant persons" for the purpose of section 309B(1)(c) of the SFA.

The Arranger and the Dealers have not separately verified the information contained in this Offering Circular. To the fullest extent permitted by law, neither the Arranger nor any of the Dealers, or any director, officer, employee, agent or affiliate of any such person makes any representation, warranty or undertaking, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Offering Circular. To the fullest extent permitted by law, neither the Arranger nor the Dealers, or any director, officer, employee, agent or affiliate of any such person accept any responsibility for the contents of this Offering Circular or for any other statement made or purported to be made by the Arranger, a Dealer, or any director, officer, employee, agent or affiliate of any such person or on its behalf in connection with the Issuers, the Group (as defined in this Offering Circular) or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaim all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Offering Circular or any such statement.

This Offering Circular does not describe all of the risks and investment considerations (including those relating to each investor's particular circumstances) of an investment in Notes of a particular issue. Each

potential purchaser of Notes should refer to and consider carefully the relevant Pricing Supplement for each particular issue of Notes, which may describe additional risks and investment considerations associated with such Notes. The risks and investment considerations identified in this Offering Circular and the applicable Pricing Supplement are provided as general information only. Investors should consult their own financial and legal advisors as to the risks and investment considerations arising from an investment in an issue of Notes and should possess the appropriate resources to analyse such investment and the suitability of such investment in their particular circumstances.

Neither this Offering Circular nor any other information provided or incorporated by reference in connection with the Programme are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuers, the Guarantor, the Arranger or the Dealers, or any director, officer, employee, agent or affiliate of any such person that any recipient, of this Offering Circular or of any such information, should purchase the Notes. Each potential purchaser of Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuers, the Guarantor and the Group. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Offering Circular and its purchase of Notes should be based upon such investigation as it deems necessary. Neither the Arranger nor the Dealers or agent or affiliate of any such person undertakes to review the financial condition or affairs of the Issuers or the Group during the life of the arrangements contemplated by this Offering Circular nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Arranger or the Dealers or any of them.

RISK FACTORS

Each of the Issuers believes that the following factors may affect its ability to fulfil its respective obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and neither of the Issuers is in a position to express a view on the likelihood of any such contingency occurring.

In addition, certain factors which may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of the Issuers believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuers (or, in the case of Notes to be issued by Woolworths NZ, the Guarantor) to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to them or which it may not currently be able to anticipate.

The Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Offering Circular (including any document incorporated by reference herein) and reach their own views prior to making any investment decision.

Risks Relating to the Group and its Business

Data loss or corruption

The Group captures and retains a considerable amount of confidential information in the operation of its business including but not limited to customer, supplier and employee information. As part of the Group's retail operations, the Group possesses personally identifiable information, including customer addresses, credit card numbers and purchase history. In addition, certain third party vendors may provide services to the Group using personal and financial data of the Group's customers that the Group provides to them. Whilst the Group takes reasonable measures to ensure that its vendors, service providers, counterparties and other third parties have appropriate controls in place to protect the confidentiality of this data, the Group may not be able to ensure that this is the case or that such measures are adequately maintained.

As a result, the Group is exposed to the risk of compromising the confidentiality, integrity and availability of this data. Failure to protect this data could lead to legal liability, regulatory action, financial consequences and reputational implications. For example, the Group is subject to various legislation and regulations in the jurisdictions in which it operates regulating the use of personal information and protecting the privacy of individuals in relation to personal data. Any misuse of customer information could result in violations of applicable laws, harming the Group's reputation and business. In addition, any such mismanagement of information may damage the Group's reputation if customers believe its systems are unreliable or could have an adverse effect on the Group's ability to attract new customers or retain existing ones.

The Group has a number of policies and procedures in place including those covering IT security, human resources, data confidentiality and business continuity, but such measures may not be effective in all cases, particularly with respect to third party service providers, and this could have a material adverse effect on its reputation, business, financial condition and results of operations.

Product liability risk

The manufacturing, packaging, marketing, distribution and sale of products entails an inherent risk of product and public liability, product recall and resultant adverse publicity. If any products sold by the Group, including the Group's exclusive brand products, are defective, contaminated or adulterated, this may lead to a risk of exposure to product liability claims and adverse publicity. Such claims may have an adverse impact on the Group's future results of operations (should the Group's insurance not be adequate to cover all liabilities it may incur) if current or potential customers choose alternative stores as a result of any adverse publicity. Further, as a retailer of products, the Group faces risks associated with faulty, defective products or mislabelled products. Breaches of the Group's obligations can give rise to prosecution or claims for damages and can adversely affect its profitability and/or market reputation.

Workplace health and safety

Legislation in the markets in which the Group operates imposes various obligations on the Group in relation to the workplace health and safety of its employees. If the Group fails to comply with these legislative requirements, fines, penalties and compensation fees may be imposed upon the Group. In addition to monetary concerns, any breach of the legislative requirements may result in reputational damage to the Group which could adversely affect its results of operations.

Crime and Security Risks

Due to the nature of the Group's retail operations, it is exposed to potential crime and security risks including (but not limited to):

- an unexpected increase in shrinkage;
- a rise in store thefts including break ins and armed hold ups/assaults;
- an inability to provide a safe and secure environment for customers, employees and contractors;
- financial loss as a result of customer, vendor or employee fraud in store, at distribution centres and/or support functions;
- corporate fraud or corruption; and
- supply chain fraud.

Any one or more of these risks could have a materially adverse impact on the Group's financial results and operations.

Disruption to business operations

The ongoing performance of the Group is dependent, in large part, on the reliability and continuity of its systems and operations.

A large part of the Group's operations depends on information technology which may be vulnerable to a variety of interruptions due to events that may be beyond the Group's control including, but not limited to, telecommunications failures, computer viruses, hacking and other security issues. The Group has technology and information security processes and disaster recovery plans in place to mitigate its risk to these vulnerabilities, but these measures may not be adequate or implemented properly to ensure that its systems and computer networks are not disrupted.

Furthermore, the Group is susceptible to extraneous events such as industrial disputes, work stoppages, terrorist attacks, natural or environmental disasters and supply chain interruptions which are beyond the control of the Group but which may materially and adversely affect the Group's operations either directly or indirectly.

As the Group's strategy is focused on high volume, low margin businesses, any disruptions to operations or increases in costs as a result of unexpected disruptions could reduce overall profitability. The Group carries business interruption insurance, which may partly offset the financial effect of such an event, although no assurance can be given that any such event may not adversely affect the Group's future profitability, results of operations and financial position.

The Group may face uncertainties associated with its strategy or transformation plans

There is a risk that the Group may be unable to execute its strategy or transformation plans, or that such plans do not deliver the expected benefits or prove to be ineffective.

There are a number of factors which could impede the delivery of the Group's six key strategic priorities as part of its multi-year transformation to rebuild the business set out in "*Description of the Group – The Group's Strategy*", including but not limited to, a prolonged and unexpected decline in macroeconomic conditions, a failure to complete the sale of the Group's fuel business (potentially resulting in a negative impact on credit ratings and funding), operational challenges relating to the turnaround of BIG W, the

capacity to execute the transformation agenda ahead of competitors, negative public relations resulting from the Group's participation in the gaming industry, the amplification of reputational damage as a result of social media activism and unanticipated changes in regulatory conditions.

Increased competition

There is strong competition in the Australian and New Zealand markets in which the Group's businesses operate. As the Group operates a broad range of retail businesses (Food, Liquor, Petrol, General Merchandise and Hotels), it is exposed to competition in many sectors of the Australian and New Zealand retail markets.

In particular, the Group's supermarkets business faces significant competition from existing retailers. Failure to competitively develop multi-channel delivery options may affect the Group's ability to meet its customers' changing needs and preferred platforms for shopping. Increased competition may also limit the Group's ability to expand its existing sites or acquire new sites.

There is also the risk of new entrants into the Australian or New Zealand retail markets, either by acquisition of an existing retailing company, through greenfield development or the emergence of non-traditional disruptive methods including via online or other novel retail models (including home delivery).

These factors could in turn reduce the Group's market share and/or existing profit margins, and have an overall adverse effect on its financial performance.

Changes to the marketplace and customer sentiment

The Group's operations are conducted almost entirely in Australia and New Zealand and, as such, are affected by general economic conditions in these markets as well as the global economy and any corresponding impact on customer sentiment, including, but not limited to, the following:

- changes in the rate of inflation, interest rates and foreign currency exchange rates;
- changes in fiscal or monetary policy by the Australian or New Zealand governments or central banks;
- changes in the level of global economic activity flowing through to a negative domestic economic impact;
- changes in commodity prices, in particular the price of oil; and
- changes in customers' saving and confidence levels.

Any adverse changes in economic conditions can be expected to affect customer sentiment and the retail trading environment in Australia and New Zealand in general, and may result in a material failure to grow, or a loss of revenues or margins.

Furthermore, the ability of the Group to successfully gauge and satisfy customer preferences is critical to the Group maintaining its competitive position. Specifically, the Group will be required to adapt its retail product offerings to overall changes in Australian and New Zealand demographics and the general ageing of their populations, as well as adapt or expand its product offerings in response to changes in customer preferences, such as trends towards consumption of healthier foods and an increased customer focus on value, and take advantage of opportunities to cater to customer demands and buying behaviours. In addition, the Group's retail businesses substantially depend on their respective brand reputations. Poor quality or inconsistent products, breaches of customer protection laws, negative publicity at the brand level or other factors may damage the reputation of and customer sentiment towards the Group's retail brands.

Any of these factors could materially adversely affect the Group's future profitability, results of operations and financial position.

Regulatory risk

The Group is subject to a range of legal and other regulatory controls imposed by Australian and New Zealand state, territory and federal government bodies, including product and consumer regulation and

regulation in regards to liquor, gaming, competition, employment, health and safety, privacy, anti-bribery and corruption, anti-money laundering and the environment. The relevant regulatory regimes are complex and are subject to change over time depending on the policies of the government in place. The Group, like other large Australian businesses, is subject to scrutiny by the Australian Competition and Consumer Commission ("**ACCC**"), New Zealand Commerce Commission ("**NZ CC**") and other regulatory bodies. Such regulatory bodies may limit the Group's ability to acquire further businesses or stores, enforce limits on activities such as exclusive brands or enforce codes of conduct in relation to dealings with suppliers. Any adverse outcomes arising from investigations or prosecutions commenced by the ACCC, NZ CC or state regulatory bodies against the Group, including for breaches of any undertakings the Group may have given to the ACCC, NZ CC or any other regulatory restrictions on its business activities, may adversely affect the Group's future financial performance and position.

Compliance with, or changes in, these laws or regulations may reduce the sales and profitability of the Group's operations and may otherwise adversely affect the Group's business, financial condition or results of operations. Non-compliance may result in substantial financial penalties being levied against the Group and may additionally result in the loss of certain licences, public censure or reputational damage which would have a negative impact on the Group's business and financial performance.

Legal risks

From time to time, the Group may be a party to litigation claims and legal proceedings, including personal injury and other claims and proceedings arising in the ordinary course of its business. The Group evaluates any litigation claims and legal proceedings to which it is a party to assess the likelihood of unfavourable outcomes and to estimate, if possible, the amount of potential losses. Based on these assessments and estimates, if any, the Group establishes reserves and/or discloses the relevant litigation claims or legal proceedings as appropriate. These assessments and estimates are based on the information available to management at the time and involve significant management judgement. Adverse outcomes in such legal proceedings, or changes in management's evaluations or predictions about the proceedings, could have a material adverse effect on the Group's financial results and financial condition.

Socio-political risks

The Group's broader corporate reputation is also driven by the perception of various stakeholders, including the public, non-government organisations, politicians and the media of what is determined to be acceptable corporate behaviour. These expectations create additional requirements to understand the impact of policy and regulatory changes, as well as broader reputational damage. The Group continues to monitor these trends and build sustainable relationships with stakeholder groups in order to understand their expectation and how this aligns with the Group's strategy.

Sustainability and environmental risks

The Group may be impacted by the long term impact of climate change, including:

- increased severity or regularity of extreme weather events which may result in business disruptions, changing supply conditions, safety risks for its team members and customers, and damage to its physical assets and transport infrastructure;
- changes to global policy and government regulations; and
- changes to customer needs, preferences and behaviours.

To manage these risks, as part of the Group's strategic planning and its ongoing management of business risk, the Group assesses the long term implications of climate change. In addition, the Group is committed to social responsibility, including minimising its impact on the environment. The Group has set up a sustainability committee that oversees the effectiveness of the Group's policies and initiatives designed to support sustainability and the minimisation of the impact of the Group on the environment.

Failure to attract or retain key employees

The responsibility of overseeing day-to-day operations and the strategic management of the Group is concentrated among a number of key employees. There can be no assurance that there will be no detrimental

impact on the Group if one or more of these key employees were to cease employment with the Group, potentially as a result of lateral recruitment by existing or new competitors.

The Group's success and growth strategy will depend on its ability to attract and retain such key management and other operating personnel. An inability to attract and retain the requisite personnel by the Group could have an adverse effect on the Group's business, operating results and financial position. While the Group has an established succession planning strategy, there can be no assurance that it will prevent disruptions in the business resulting from the departure of key personnel.

Supplier relationship risks

The Group relies on major suppliers, manufacturers and other service providers to provide materials and produce products for the Group's retail businesses and to transport products to distribution centres, stores and customers, and it may not be able to obtain or deliver quality products on a timely basis or in sufficient quantity at acceptable cost. The Group's retail businesses are dependent upon their access to products that meet their specifications.

Reliance on third party suppliers carries with it substantial risks, including:

- the Group's ongoing ability to find qualified suppliers and to access products in a timely and efficient manner;
- political or financial instability, trade restrictions, tariffs, transport capacity and other factors relating to foreign trade arising from international suppliers which could disrupt the the Group's supply chain; and
- the continued ability of third party suppliers to meet the Group's quality standards.

Any disruption to the the Group supply chain as a result of an issue with a supplier, or any damage to its integrity, could cause the Group significant time and expense in remediation of any deficiencies and could impact its reputation, which could adversely affect its brand recognition, market share and profitability. Furthermore, it could result in increased operating costs and improperly implemented initiatives which may harm customer engagement through reduced levels of service and could adversely impact the Group's businesses.

Inventory management risks

Efficiently managing inventory stocks and ensuring stock availability are of paramount importance to all of the Group's businesses. If the Group is unable to manage inventory effectively, or if the Group faces shortages of stock availability resulting in lost sales, this could affect the businesses' competitive position and may have an adverse impact on the Group's results of operations and financial condition.

Funding, liquidity, interest and exchange rate risk

Changes in the global credit and financial markets, including regulatory changes in respect of banks and the wider financial services sector have in recent years affected and may continue to affect the availability of credit and has led to an increase in the cost of financing. In the past, the deterioration in the financial markets has contributed to a recession in the U.S. and the global economy, which has led, and may continue to lead, to significant declines in employment, household wealth, customer demand and lending. As a result, this may adversely affect economic growth in Australia, New Zealand and elsewhere.

Whilst the Group currently has committed facilities available that enable it to meet its current funding needs, there may be difficulty in the future in accessing the financial markets, which could make it more difficult or expensive to obtain funding. There can be no assurance that the Group will be able to continue to raise financing at a reasonable cost, or at all. The Group may also be subject to solvency risks of its banks and counterparts in its financial investments and arrangements. These may have an adverse effect on the Group's business, financial condition and results of operations.

The Group acquires goods and services and issues debt in non-Australian currencies. The impact of such currency risk cannot be predicted reliably. The Group seeks to manage its exposure to adverse fluctuations in exchange rates by using currency hedging instruments. The Group seeks to manage its exposure to

adverse fluctuations in interest rates associated with its debt by using interest rate hedging instruments. There is a risk that the Group's results of operations may be adversely affected if its hedges are not effective in mitigating exchange rate and interest rate risks, if the Group is under hedged or if a hedge provider defaults on its obligations under the Group's hedging agreements. There can be no assurance that the Group's interest rate and exchange rate hedging arrangements or hedging policy will be sufficient or effective.

Unforeseen reductions in margin

An ongoing focus for the Group is to maintain its cost base at an appropriate level. If the Group is unable to do so on a sustainable basis or achieve savings to the necessary extent, it may be unable to compete effectively in its markets and its trading results may be adversely affected.

In addition, the Group seeks to maintain an acceptable margin by improved buying, including benefits gained from increased direct global sourcing, as well as reduced stock loss, efficiency improvements from the operation of new distribution centres and changes in sales mix, and increased contributions from exclusive brand ranges. Failure to achieve targets in these areas may adversely affect the Group's gross margin levels.

Failure to gain traction from store renewals and open sufficient new stores

The Group's future growth and operating performance depend in part on its ability to renew and improve existing stores over time. If such renewals are not completed on time, within budget or fail to realise their anticipated benefits, the Group's growth and performance may be adversely affected, in particular, where that failure is sustained and widespread. Furthermore, if the Group fails to regularly monitor underperforming stores and take appropriate remedial action, such stores may adversely affect the overall profitability of the Group.

There is also a risk that the Group may not be able to identify and acquire appropriate sites for new store locations in or near key population catchments or enter into leases on suitable sites on a timely basis and on satisfactory terms, including due to governmental zoning or permit restrictions, competition from other companies seeking similar sites or the inability of property owners to develop suitable property at the pace required by the Group. In particular, availability of additional sites in densely populated areas for large format stores such as supermarkets, Dan Murphy's and BIG W is constrained. The Group's inability to execute its new store strategy may have a material adverse effect on its growth.

Divestment or exit activities

From time to time, the Group may examine its portfolio of businesses. Upon reviewing its portfolio, the Group may look to dispose, restructure or exit one or more of its businesses which may be underperforming or may no longer be part of its strategy.

Disposals of businesses may lead to a change in the source and nature of the Group's earnings and may result in variability of earnings over time. In addition, liabilities may arise in connection with the businesses that the Group sells in the future, which could adversely affect the Group's earnings.

Potential acquisition opportunities

From time to time, the Group may examine new acquisition opportunities both domestically and internationally, which may relate to existing businesses or to new areas of operation for the Group. Any new businesses that the Group acquires may be integrated into the Group, which may be costly and may occupy a large amount of the Group's management's time. The Group may not be successful in implementing its strategy for any acquired businesses without substantial costs, delays or other problems, which could negatively impact the Group's results of operations, profitability or reputation.

Acquisitions and disposals of businesses may lead to a change in the source and nature of the Group's earnings and may result in variability of earnings over time. In addition, liabilities may arise in connection with the businesses that the Group acquires or sells in the future, which could adversely affect the Group's earnings. Further, the success of any potential international expansion by the Group could be adversely affected if the Group is unable to adapt to the local operating environment.

Long-term leases

The Group operates leases in premises that are either owned by the Group or leased from other parties such as shopping centres. From time to time, the Group reviews the ownership and leasing structure of these premises. The terms of the Group's lease arrangements are generally long-dated and contain provisions requiring the Group to continue to operate that store for the full term of the lease irrespective of individual store profitability. There exists a risk that the Group's flexibility to exit underperforming stores may be constrained by the terms of the relevant lease.

Risks Relating to the Structure of a Particular Issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the relevant Issuer

Unless in the case of any particular Tranche of Notes the relevant Pricing Supplement specifies otherwise, in the event that the relevant Issuer would be obliged to increase the amounts payable in respect of any Notes or, if applicable, the Guarantee of the Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Australia or New Zealand or any political subdivision thereof or any authority therein or thereof having power to tax, the relevant Issuer may redeem all, but not some only, of the outstanding Notes in accordance with the Conditions.

An optional redemption feature is likely to limit the market value of Notes. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

The market prices of Notes issued at a substantial discount or premium tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks Relating to the Notes Generally

Set out below is a brief description of certain risks relating to the Notes generally:

The Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Offering Circular and any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;

- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Modification

The Conditions of the Notes contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

The Conditions of the Notes also provide that certain Holders may, without the consent of Holders, agree to any modification of the Conditions of the Notes, in the circumstances described in Condition 18 (*Meetings of Holders; Modification*).

A change in the law which governs the Notes may adversely affect Holders

The Conditions of the Notes are governed by English law or, in the case of AMTNs, New South Wales law, in each case in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law or New South Wales law or administrative practice after the date of issue of the relevant Notes.

Majority interests in Holder meetings

The Conditions contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

The Notes may be represented by Global Notes or Global Registered Notes and holders of a beneficial interest in a Global Note or Global Registered Note or AMTN must rely on the procedures of the relevant Clearing System(s)

Notes issued under the Programme may be represented by one or more Global Notes or Global Registered Notes. Such Global Notes or Global Registered Notes will be deposited with a common depository for Euroclear and Clearstream, Luxembourg, or any other clearing system (each of Euroclear and Clearstream, Luxembourg and such other clearing system, a "**Clearing System**"). Except in the circumstances described in the relevant Global Note or Global Registered Note, investors will not be entitled to receive definitive

Notes. The relevant Clearing System(s) will maintain records of the beneficial interests in the Global Notes or Global Registered Notes. While the Notes are represented by one or more Global Notes or Registered Notes or where AMTNs are lodged in Austraclear, investors will be able to trade their beneficial interests only through the Clearing Systems.

While the Notes are represented by one or more Global Notes or Global Registered Notes or where AMTNs are lodged in Austraclear, the relevant Issuer will discharge its payment obligations under the Notes by making payments to the relevant Clearing System for distribution to their account holders.

A holder of a beneficial interest in a Global Note, Global Registered Note or AMTN must rely on the procedures of the relevant Clearing System(s) to receive payments under the relevant Notes. The relevant Issuer does not have any responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes, Global Registered Notes or AMTNs.

Holders of beneficial interests in the Global Notes, Global Registered Notes or AMTNs will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the relevant Clearing System(s) to appoint appropriate proxies.

The Issuer may procure that the AMTNs are lodged with the Austraclear System. On lodgement, Austraclear will become the sole registered holder and legal owner of the AMTNs. Subject to the rules and regulations known as the "**Austraclear System Regulations**" established by Austraclear to govern the use of the Austraclear System, participants of the Austraclear System ("**Austraclear Accountholders**") may acquire rights against Austraclear in relation to those AMTNs as beneficial owners and Austraclear is required to deal with the AMTNs in accordance with the directions and instructions of the Austraclear Accountholders. Investors in AMTNs who are not Austraclear Accountholders would need to hold their interest in the relevant AMTNs through a nominee who is an Austraclear Accountholder. All payments by the Issuer in respect of AMTNs lodged with the Austraclear System will be made directly to an account agreed with Austraclear or as it directs in accordance with the Austraclear System Regulations.

Where the AMTNs are lodged with the Austraclear System, any transfer of AMTNs will be subject to the Austraclear System Regulations. Secondary market sales of AMTNs cleared through the Austraclear System will be settled in accordance with the Austraclear System Regulations.

Austraclear Accountholders who acquire an interest in AMTNs lodged with the Austraclear System must look solely to Austraclear for their rights in relation to such Notes and will have no claim directly against the Issuer in respect of such AMTNs although, under the Austraclear System Regulations, Austraclear may direct the Issuer to make payments direct to the relevant Austraclear Accountholders.

Where Austraclear is registered as the holder of any AMTN that is lodged with the Austraclear System, Austraclear may, where specified in the Austraclear System Regulations, transfer the AMTNs to the person in whose Security Record (as defined in the Austraclear System Regulations) those AMTNs are recorded and, as a consequence, remove those AMTNs from the Austraclear System.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum denomination may be illiquid and difficult to trade

In the case of Notes which have denominations consisting of a minimum Denomination plus one or more higher integral multiples of another smaller amount, it is possible that Notes may be traded in amounts that are not integral multiples of such minimum Denomination. In such a case, a Holder who, as a result of trading such amounts, holds a principal amount of less than the minimum Denomination will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or integral multiples of the minimum Denomination. If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Denomination may be illiquid and difficult to trade.

Holders' remedies under the Notes are capable of exercise only in limited circumstances

Payment of principal and interest thereon in relation to the Notes may be accelerated only if certain circumstances arise or conditions are satisfied. See Condition 14 (*Events of Default*) for further information.

The credit ratings assigned to the Notes may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Risks related to Notes which are linked to "benchmarks"

The London Interbank Offered Rate ("**LIBOR**"), the Euro Interbank Offered Rate ("**EURIBOR**") and other interest rate or other types of rates and indices which are deemed to be "benchmarks" are the subject of ongoing national and international regulatory reform. Following the implementation of any such potential reforms, the manner of administration of benchmarks may change, with the result that they may perform differently than in the past, or benchmarks could be eliminated entirely, or there could be other consequences which cannot be predicted. For example, on 27 July 2017, the UK Financial Conduct Authority announced that it will no longer persuade or compel banks to submit rates for the calculation of the LIBOR benchmark after 2021 (the "**FCA Announcement**"). The FCA Announcement indicates that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021. On 21 September 2017, the European Central Bank announced that it would be part of a new working group tasked with the identification and adoption of a "risk free overnight rate" which can serve as a base for an alternative to current benchmarks used in a variety of financial instruments and contracts. Following the implementation of any such potential reforms, the manner of administration of LIBOR, EURIBOR or other benchmark indices may change, with the result that it may perform differently than in the past, or benchmarks could be eliminated entirely. The potential elimination of the LIBOR benchmark or any other benchmark, or changes in the manner of administration of any benchmark, could require an adjustment to the terms and conditions, or result in other consequences, in respect of any Notes linked to such benchmark (including but not limited to Floating Rate Notes whose interest rates are linked to LIBOR). Any such consequence could have a material adverse effect on the value of and return on any such Notes or may have other consequences that cannot be predicted.

Risks Relating to the Market Generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Exchange rate risks and exchange controls may result in investors receiving less interest or principal than expected

The relevant Issuer will pay principal and interest on the Notes in the currency specified. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the currency in which the Notes are denominated. These include the risk that exchange rates may significantly change (including changes due to devaluation of the currency in which the Notes are denominated or revaluation of the investor's currency) and the risk that authorities with jurisdiction over an investor's currency may impose or modify exchange controls. An appreciation in the value of an investor's currency relative to the currency in which the Notes are denominated would decrease (i) the investor's currency-equivalent yield on the Notes, (ii) the investor's currency equivalent value of the principal payable on the Notes and (iii) the investor's currency equivalent market value of the Notes. Relevant government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Changes in market interest rates may adversely affect the value of fixed rate Notes

Investment in fixed rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of fixed rate Notes.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) the Notes are legal investments for it, (ii) the Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes.

Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of the Notes under any applicable risk-based capital or similar rules.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be used by the relevant Issuer for its respective general corporate purposes. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Pricing Supplement.

FORMS OF THE NOTES

Bearer Notes

The relevant Issuer may make applications to Euroclear and Clearstream, Luxembourg for acceptance in their respective book-entry systems in respect of any Series of Bearer Notes. In respect of Bearer Notes, a temporary Global Note and/or a permanent Global Note will be deposited with a common depository for Euroclear and Clearstream, Luxembourg. Transfers of interests in a temporary Global Note or a permanent Global Note will be made in accordance with the normal market debt securities operating procedures of Euroclear and Clearstream, Luxembourg. Each Global Note will have an International Securities Identification Number ("ISIN") and a Common Code. Investors in Notes of such Series may hold their interests in a Global Note only through Euroclear or Clearstream, Luxembourg.

The relevant Issuer may make applications to Euroclear and Clearstream, Luxembourg for acceptance in their respective book-entry systems in respect of the Notes (other than AMTNs) to be represented by a Global Registered Note. Each Global Registered Note will have an ISIN and a Common Code. Investors in Notes of such Series may hold their interests in a Global Registered Note only through Euroclear or Clearstream, Luxembourg.

Registration of title to Registered Notes (other than AMTNs) in a name other than a depository or its nominee for Euroclear and Clearstream, Luxembourg will be permitted only in the circumstances set forth in "*Summary of Provisions Relating to the Notes while in Global Form — Exchange — Permanent Global Notes*". In such circumstances, the relevant Issuer will cause sufficient individual Certificates to be executed and delivered to the Registrar for completion, authentication and despatch to the relevant Holder(s). A person having an interest in a Global Registered Note must provide the Registrar with a written order containing instructions and such other information as the relevant Issuer and the Registrar may require to complete, execute and deliver such individual Certificates. AMTNs are issued in registered uncertificated form.

Clearance and Settlement

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of the Clearing Systems currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the relevant Issuer believes to be reliable, but neither the relevant Issuer, the Guarantor (in respect of Notes to be issued by Woolworths NZ), nor the Arranger nor any Agent nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. Neither the Issuers nor any other party to the Agency Agreement or the Australian Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to, or payments made on account of, such beneficial ownership interests.

The Clearing Systems

The relevant Pricing Supplement will specify the Clearing System(s) applicable for each Series.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for participating organisations and facilitates the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of such participants. Euroclear and Clearstream, Luxembourg provide to their respective participants, among other things, services for safekeeping, administration, clearance and settlement of internationally-traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg participants are financial institutions throughout the world,

including underwriters, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to Euroclear or Clearstream, Luxembourg is also available to others, such as banks, brokers, dealers and trust companies which clear through or maintain a custodial relationship with a Euroclear or Clearstream, Luxembourg participant, either directly or indirectly.

Distributions of principal with respect to book-entry interests in the Notes held through Euroclear or Clearstream, Luxembourg will be credited, to the extent received by any Paying Agent, to the cash accounts of Euroclear or Clearstream, Luxembourg participants in accordance with the relevant system's rules and procedures.

The Austraclear System

On issue of any AMTNs, the Issuer will (unless otherwise specified in the relevant Pricing Supplement) procure that the AMTNs are lodged with the Austraclear System. On lodgement, Austraclear will become the sole registered holder and legal owner of the AMTNs. Subject to the Austraclear System Regulations, Austraclear Accountholders may acquire rights against Austraclear in relation to those AMTNs as beneficial owners and Austraclear is required to deal with the AMTNs in accordance with the directions and instructions of the Austraclear Accountholders. Any potential investors who are not Austraclear Accountholders would need to hold their interest in the relevant AMTNs through a nominee who is an Austraclear Accountholder. All payments by the Issuer in respect of AMTNs lodged with the Austraclear System will be made directly to an account agreed with Austraclear or as it directs in accordance with the Austraclear System Regulations.

Holding of AMTNs through Euroclear and Clearstream, Luxembourg

Once lodged with the Austraclear System, interests in the AMTNs may be held through Euroclear or Clearstream, Luxembourg. In these circumstances, entitlements in respect of holdings of interests in the AMTNs in Euroclear would be held in the Austraclear System by HSBC Custody Nominees (Australia) Limited as nominee of Euroclear, while entitlements in respect of holdings of interests in the AMTNs in Clearstream, Luxembourg would be held in the Austraclear System by a nominee of J.P. Morgan Chase Bank, N.A. as custodian for Clearstream, Luxembourg.

The rights of a holder of interests in AMTNs held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations of Euroclear and Clearstream, Luxembourg, the arrangements between Euroclear and Clearstream, Luxembourg and their respective nominees in the Austraclear System Regulations.

Relationship of Austraclear Accountholders with Austraclear Australia

Austraclear Accountholders who acquire an interest in AMTNs lodged with the Austraclear System must look solely to Austraclear for their rights in relation to such Notes and will have no claim directly against the Issuer in respect of such AMTNs although under the Austraclear System Regulations, Austraclear may direct the Issuer to make payments direct to the relevant Austraclear Accountholders. Where Austraclear is registered as the holder of any AMTN that is lodged with the Austraclear System, Austraclear may, where specified in the Austraclear System Regulations, transfer the AMTNs to the person in whose Security Record (as defined in the Austraclear System Regulations) those AMTNs are recorded and, as a consequence, remove those AMTNs from the Austraclear System. Potential investors in AMTNs should inform themselves of, and satisfy themselves with, the Austraclear System Regulations and (where applicable) the rules of Euroclear and Clearstream, Luxembourg and the arrangements between them and their nominees in the Austraclear System.

3. **Form, Denomination, Title and Transfer**

(a) ***Bearer Notes***

Bearer Notes are in the Specified Denomination(s) with Coupons and, if specified in the relevant Pricing Supplement, Talons attached at the time of issue. In the case of a Series of Bearer Notes with more than one Specified Denomination, Bearer Notes of one Specified Denomination will not be exchangeable for Bearer Notes of another Specified Denomination.

(b) ***Title to Bearer Notes***

Title to Bearer Notes and the Coupons will pass by delivery. In the case of Bearer Notes, "**Holder**" means the holder of such Bearer Note and "**Holder**" and "**Couponholder**" shall be construed accordingly.

(c) ***Registered Notes***

Registered Notes are in the Specified Denomination(s), which may include a minimum denomination specified in the relevant Pricing Supplement and higher integral multiples of a smaller amount specified in the relevant Pricing Supplement.

(d) ***Title to Registered Notes***

- (i) In the case of Registered Notes (other than AMTNs), the Registrar will maintain a register outside the United Kingdom and Hong Kong in accordance with the provisions of the Agency Agreement. A certificate (each, a "**Note Certificate**") will be issued to each Holder of Registered Notes in respect of its registered holding. Each Note Certificate will be numbered serially with an identifying number which will be recorded in the Register. In the case of Registered Notes, "**Holder**" means the person in whose name such Registered Note is for the time being registered in the Register (or, in the case of a joint holding, the first named thereof) and "**Holder**" shall be construed accordingly.
- (ii) In the case of AMTNs, the Australian Registrar will maintain an Australian Register in Australia in accordance with the provisions of the Deed Poll and the Australian Agency Agreement. AMTNs will only be issued in registered uncertificated form unless the Issuer determines that certificates should be available or are required as a matter of law. In the case of AMTNs, "**Holder**" means the person in whose name such AMTN is for the time being registered in the Register and "**Holder**" shall be construed accordingly.

(e) ***Ownership***

- (i) In respect of Notes other than AMTNs, the Holder of any Note or Coupon shall (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any other interest therein, any writing thereon or, in the case of Registered Notes, on the Note Certificate relating thereto (other than the endorsed form of transfer) or any notice of any previous loss or theft thereof) and no Person shall be liable for so treating such Holder. No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.
- (ii) In respect of AMTNs, each entry in the Australian Register constitutes a separate and individual acknowledgement to the relevant Holder of the indebtedness of the Issuer to the relevant Holder. No AMTN will be registered in the name of more than four persons. AMTNs registered in the name of more than one person are held by those persons as joint tenants. AMTNs will be registered by name only, without reference to any notice of ownership, trust or other interest therein and an entry in the Australian Register in relation to an AMTN constitutes conclusive evidence that the person so entered is the registered owner of such AMTN, subject to rectification for fraud or error. The obligations of the Issuer in respect of each AMTN constitute separate and independent obligations which the Holder is entitled to enforce in accordance with these Conditions and the Deed Poll. Upon a person acquiring title to any AMTNs by virtue of becoming registered as the owner of that AMTN, all rights and entitlements arising by virtue of the Deed Poll in respect of that AMTN vest absolutely in the registered owner of the AMTN, such that no person who has previously been registered as the owner of the AMTN has or is entitled to assert against the Issuer or the Australian Agent or the registered owner of the AMTN for the time being and from time to time any rights, benefits or entitlements in respect of the AMTN.

(f) ***Transfers of Registered Notes***

- (i) In respect of Notes other than AMTNs, and subject to Condition 3(i) (*Closed periods*) and Condition 3(j) (*Regulations concerning transfers and registration*) below, a Registered Note may be transferred upon surrender of the relevant Note Certificate, with the endorsed form of transfer duly completed, at the Specified Office of the Registrar or any Transfer Agent, together with such evidence as the Registrar or (as the case may be) such Transfer Agent may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; **provided, however, that** a Registered Note may

not be transferred unless the principal amount of Registered Notes transferred and (where not all of the Registered Notes held by a Holder are being transferred) the principal amount of the balance of Registered Notes not transferred are Specified Denominations. Where not all the Registered Notes represented by the surrendered Note Certificate are the subject of the transfer, a new Note Certificate in respect of the balance of the Registered Notes will be issued to the transferor.

- (ii) In respect of AMTNs, and subject to Condition 3(i) (*Closed periods*) below, unless lodged in the Austraclear System, the AMTNs will be transferable by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Agent or by any other manner approved by the Issuer and the Australian Agent. Each transfer and acceptance form must be accompanied by such evidence (if any) as the Australian Agent may require to prove the title of the transferor or the transferor's right to transfer the AMTNs and be signed by both the transferor and the transferee. Transfers of AMTNs lodged with the Austraclear System will be transferable only in accordance with the rules and regulations (in force from time to time) of the Austraclear System. The transferor of an AMTN is deemed to remain the Holder of such AMTN until the name of the transferee is entered in the Australian Register in respect of such AMTN.

AMTNs may only be transferred within, to or from Australia if:

- (A) the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (or its equivalent in any other currency and, in either case, disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 or Chapter 7 of the Corporations Act 2001 of the Commonwealth of Australia (the "**Australian Corporations Act**") ;
- (B) the transfer is not to a "retail client" for the purposes of section 761G of the Australian Corporations Act; and
- (C) the transfer is in compliance with all applicable laws, regulations or directives (including, without limitation, in the case of a transfer to or from Australia, the laws of the jurisdiction in which the transfer takes place).

A transfer to an unincorporated association is not permitted. AMTNs may be transferred in whole but not part.

A person becoming entitled to an AMTN as a consequence of the death or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement or status as the Australian Agent considers sufficient, transfer such AMTN or, if so entitled, become registered as the holder of the AMTN. Where the transferor executes a transfer of less than all of the AMTNs registered in its name, and the specific AMTNs to be transferred are not identified, the Australian Agent may register the transfer in respect of such of the AMTNs registered in the name of the transferor as the Australian Agent thinks fit, provided the aggregate nominal amount of the AMTNs registered as having been transferred equals the aggregate nominal amount of the AMTNs expressed to be transferred in the transfer.

(g) ***Registration and delivery of Note Certificates***

Within five business days of the surrender of a Note Certificate in accordance with Condition 3(f) (*Transfers of Registered Notes*) above, the Registrar will register the transfer in question and deliver a new Note Certificate of a like principal amount to the Registered Notes transferred to each relevant Holder at its Specified Office or (as the case may be) the Specified Office of any Transfer Agent or (at the request and risk of any such

relevant Holder) by uninsured first class mail (airmail if overseas) to the address specified for the purpose by such relevant Holder. In this paragraph, "**business day**" means a day on which commercial banks are open for general business (including dealings in foreign currencies) in the city where the Registrar or (as the case may be) the relevant Transfer Agent has its Specified Office.

(h) ***No charge***

The transfer of a Registered Note will be effected without charge by or on behalf of the Issuer or the Registrar or any Transfer Agent but against such indemnity as the Registrar or (as the case may be) such Transfer Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

(i) ***Closed periods***

Holders may not require transfers to be registered:

- (i) during the period of 15 days ending on any date on which Notes may be called for redemption by the relevant Issuer at its option pursuant to Condition 10(b) (*Redemption for tax reasons*) or Condition 10(c) (*Redemption at the option of the relevant Issuer*);
- (ii) after a Put Option Notice or a Change of Control Put Exercise Notice has been delivered in respect of the relevant Note(s) in accordance with Condition 10(e) (*Redemption at the option of Holders*) or a relevant Pricing Supplement, as the case may be; and
- (iii) during the period of seven days ending on (and including) any Record Date (as defined in Condition 12.1(f) (*Record Date*) or Condition 12.2(g) (*AMTN Record Date*) in the case of AMTNs.

(j) ***Regulations concerning transfers and registration***

All transfers of Registered Notes (other than AMTNs) and entries on the Register are subject to the detailed regulations concerning the transfer of Registered Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuers with the prior written approval of the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Holder who requests in writing a copy of such regulations.

4. **Status of the Notes and Guarantee**

- (a) ***Status of the Notes:*** The Notes constitute direct, general and unconditional obligations of the relevant Issuer which will at all times rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured obligations of the relevant Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.
- (b) ***Guarantee of the Notes:*** The Guarantor has in the Deed of Guarantee unconditionally and irrevocably guaranteed the due and punctual payment of all sums from time to time payable by Woolworths NZ in respect of the Notes issued by Woolworths NZ. The Guarantee of the Notes constitutes direct, general and unconditional obligations of the Guarantor which will at all times rank at least *pari passu* with all of its other present and future unsecured obligations, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

5. **Covenants**

(a) ***Limitation on liens***

So long as any Note remains outstanding, the relevant Issuer and the Guarantor (where Woolworths NZ is the Issuer) may not permit any Subsidiary to create or permit to exist

any Lien on the whole or any part of any Property and may not, and may not permit any Subsidiary to, create or permit to exist any Lien upon any shares or stock of any Subsidiary, in either case to secure any present or future Indebtedness without (a) making effective provision whereby the Notes shall be secured equally and rateably with (or, at the option of the relevant Issuer, the Guarantor or such Subsidiary, prior to) such Indebtedness or (b) providing such other security for the Notes as may be approved by an Extraordinary Resolution of Holders; **provided, however, that** the above shall not apply to:

- (i) any Lien existing at the date of issue of the Notes;
- (ii) a Lien arising by operation of law securing money owing in respect of goods or services provided in the ordinary course of business which is not yet due and payable;
- (iii) a pledge over documents of title to goods created in the ordinary course of business in favour of a supplier to secure the purchase price of those goods or trade finance on usual arm's length terms from the supplier where the purchase price of those goods or trade finance is paid in the ordinary course of business;

- (v) any Lien which exists at the time of acquisition on or over any asset acquired by the relevant Issuer, the Guarantor (where Woolworths NZ is the Issuer) or any Subsidiary (otherwise than from such Issuer, the Guarantor or any other Subsidiary, as applicable) and is not created in contemplation of or in connection with that acquisition;
- (vi) in the case of any company which becomes a Subsidiary of the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer), any Lien which exists on or over its assets when it becomes a Subsidiary and is not created in contemplation of or in connection with it becoming a Subsidiary;
- (vii) any Lien mandatorily imposed by the law of any jurisdiction outside Australia or (only for Woolworths NZ) New Zealand in which the relevant Issuer, the Guarantor (where Woolworths NZ is the Issuer) or any Subsidiary conducts business **provided that** the Lien is confined to the assets located in that jurisdiction;
- (viii) any Lien given by the relevant Issuer, the Guarantor (where Woolworths NZ is the Issuer) or any Subsidiary on its interests in an incorporated or unincorporated joint venture in favour of any manager of or joint venture participant in any such joint venture securing the obligations of the relevant Issuer, the Guarantor (where Woolworths NZ is the Issuer) or such Subsidiary to such joint venture or any Lien in relation to the Indebtedness of a Project Finance Subsidiary;
- (ix) any set-off arrangement in relation to the transaction banking business of the relevant Issuer, the Guarantor (where Woolworths NZ is the Issuer) or any Subsidiary;
- (x) Liens securing Indebtedness owing by any Subsidiary to the relevant Issuer, the Guarantor (where Woolworths NZ is the Issuer) or to any other Subsidiary;
- (xi) pledges, deposits or other Liens made or arising under worker's compensation laws or similar laws or legislation;
- (xii) Liens for taxes or assessments, landlord's liens and mechanic's liens; or

6. **Fixed Rate Note Provisions**

(a) ***Application***

This Condition 6 (*Fixed Rate Note Provisions*) is applicable to the Notes only if the Fixed Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable.

(b) ***Accrual of interest***

The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 11 (*Payments – Bearer Notes*) and Condition 12.1 (*Payments – Registered Notes*) or Condition 12.2 (*Payments – Registered Notes (AMTNs)*) (as the case may be). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Holder and (ii) the day which is seven days after the Fiscal Agent has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) ***Fixed Coupon Amount***

The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.

(d) ***Calculation of interest amount***

The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

7. **Floating Rate Note and Index-Linked Interest Note Provisions**

(a) ***Application***

This Condition 7 (*Floating Rate Note and Index-Linked Interest Note Provisions*) is applicable to the Notes only if the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are specified in the relevant Pricing Supplement as being applicable.

(b) ***Accrual of interest***

The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 11 (*Payments – Bearer Notes*) and Condition 12.1 (*Payments – Registered Notes*) or Condition 12.2 (*Payments – Registered Notes (AMTNs)*) (as the case may be). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Holder and (ii) the day which is seven days after the Fiscal Agent has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) ***Screen Rate Determination***

If Screen Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time, and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

(d) **ISDA Determination**

If ISDA Determination is specified in the relevant Pricing Supplement as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "**ISDA Rate**" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Pricing Supplement;
- (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Pricing Supplement; and
- (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on (x) the London inter-bank offered rate (LIBOR), (y) the Eurozone inter-bank offered rate (EURIBOR) or (z) the Hong Kong inter-bank offered rate (HIBOR) for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Pricing Supplement.

(e) **BBSW Rate Determination**

The Rate of Interest applicable to the AMTN Notes for each Interest Period is the sum of the Margin and the BBSW Rate.

In this Condition 7(e), "**BBSW Rate**" means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the "AVG MID" on the Reuters Screen BBSW Page (or any designation which replaces that designation on that page, or any replacement page) at approximately 10.30 am Sydney time (or such other time at which such rate customarily appears on that page) on the first day of that Interest Period. However, if such rate does not appear on the Reuters Screen BBSW Page (or any replacement page) by 10.45 am Sydney time on that day (or such other time that is 15 minutes after the then prevailing time), or if it does appear but the Calculation Agent determines that there is an obvious error in that rate, "**BBSW Rate**" means the rate determined by the Calculation Agent having regard to any comparable indices then available and/or other prevailing market practice. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001%).

(f) **Index-Linked Interest**

If the Index-Linked Interest Note Provisions are specified in the relevant Pricing Supplement as being applicable, the Rate(s) of Interest applicable to the Notes for each Interest Period will be determined in the manner specified in the relevant Pricing Supplement.

(g) **Maximum or Minimum Rate of Interest**

If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

(h) **Calculation of Interest Amount**

The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the

Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

(i) ***Calculation of other amounts***

If the relevant Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Pricing Supplement.

(j) ***Publication***

The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Holders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

(k) ***Notifications etc.***

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the relevant Issuer, the Paying Agents, the Holders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

8. **Zero Coupon Note Provisions**

(a) ***Application***

This Condition 8 (*Zero Coupon Note Provisions*) is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the relevant Pricing Supplement as being applicable.

(b) ***Late payment on Zero Coupon Notes***

If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or

on behalf of the relevant Holder and (ii) the day which is seven days after the Fiscal Agent has notified the Holders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

9. **Dual Currency Note Provisions**

(a) ***Application***

This Condition 9 (*Dual Currency Note Provisions*) is applicable to the Notes only if the Dual Currency Note Provisions are specified in the relevant Pricing Supplement as being applicable.

(b) ***Rate of Interest***

If the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the relevant Pricing Supplement.

10. **Redemption and Purchase**

(a) ***Scheduled redemption***

Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 11 (*Payments – Bearer Notes*) and Condition 12.1 (*Payments – Registered Notes*) or Condition 12.2 (*Payments – Registered Notes (AMTNs)*) (as the case may be).

(b) ***Redemption for tax reasons***

The Notes may be redeemed at the option of the relevant Issuer in whole, but not in part:

- (i) at any time (if neither the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are specified in the relevant Pricing Supplement as being applicable); or
- (ii) on any Interest Payment Date (if the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are specified in the relevant Pricing Supplement as being applicable)

on giving not less than 30 nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued to the date fixed for redemption, if:

- (i) (A) the relevant Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 13 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of Australia or New Zealand (where Woolworths NZ is the Issuer) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and (B) such obligation cannot be avoided by such Issuer taking reasonable measures available to it; or
- (ii) (A) the Guarantor has or (if a demand was made under the Guarantee of the Notes) would become obliged to pay additional amounts as provided or referred to in Condition 13 (*Taxation*) or the Guarantee of the Notes, as the case may be, as a result of any change in, or amendment to, the laws or regulations of Australia or New Zealand (where Woolworths NZ is the Issuer) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment

becomes effective on or after the date of issue of the first Tranche of the Notes; and (B) such obligation cannot be avoided by the Guarantor taking reasonable measures available to it;

provided, however, that no such notice of redemption shall be given earlier than

- (A) where the Notes may be redeemed at any time, 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due or (as the case may be), a demand under the Guarantee of the Notes were then made; or
- (B) where the Notes may be redeemed only on an Interest Payment Date, 60 days prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due or (as the case may be) a demand under the Guarantee of the Notes were then made.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver or procure that there is delivered to the Fiscal Agent:

- (A) a certificate signed by two directors of the Issuer stating that the circumstances referred to in (A) and (B) prevail and setting out the details of such circumstances; and
- (B) an opinion of independent legal advisers of recognised standing to the effect that the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) has or will become obliged to pay such additional amounts as a result of such change or amendment.

Upon the expiry of any such notice as is referred to in this Condition 10(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 10(b).

(c) ***Redemption at the option of the Issuer***

If the Call Option is specified in the relevant Pricing Supplement as being applicable, the Notes may be redeemed at the option of the relevant Issuer in whole or, if so specified in the relevant Pricing Supplement, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the relevant Issuer's giving not less than 30 nor more than 60 days' notice to the Holders (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued interest (if any) to such date).

(d) ***Partial redemption***

If the Notes are to be redeemed in part only on any date in accordance with Condition 10(c) (*Redemption at the option of the Issuer*), in the case of Bearer Notes, the Notes to be redeemed shall be selected by the drawing of lots in such place as the relevant Issuer determines and in such manner as the relevant Issuer determines, subject to compliance with applicable law, the rules of each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation and the notice to Holders referred to in Condition 10(c) (*Redemption at the option of the Issuer*) shall specify the serial numbers of the Notes so to be redeemed, and, in the case of Registered Notes, each Note shall be redeemed in part in the proportion which the aggregate principal amount of the outstanding Notes to be redeemed on the relevant Optional Redemption Date (Call) bears to the aggregate principal amount of outstanding Notes on such date. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Pricing Supplement, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.

(e) ***Redemption at the option of Holders***

If the Put Option is specified in the relevant Pricing Supplement as being applicable, the relevant Issuer shall, at the option of the Holder of any Note redeem such Note on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued to such date. In order to exercise the option contained in this Condition 10(e), the Holder of a Note must, not less than 30 nor more than 60 days before the relevant Optional Redemption Date (Put), deposit with any Paying Agent such Note together with all unmatured Coupons relating thereto and a duly completed Put Option Notice in the form obtainable from any Paying Agent. The Paying Agent with which a Note is so deposited shall deliver a duly completed Put Option Receipt to the depositing Holder. No Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 10(e), may be withdrawn; **provided, however, that** if, prior to the relevant Optional Redemption Date (Put), any such Note becomes immediately due and payable or, upon due presentation of any such Note on the relevant Optional Redemption Date (Put), payment of the redemption moneys is improperly withheld or refused, the relevant Paying Agent shall mail notification thereof to the depositing Holder at such address as may have been given by such Holder in the relevant Put Option Notice and shall hold such Note at its Specified Office for collection by the depositing Holder against surrender of the relevant Put Option Receipt. For so long as any outstanding Note is held by a Paying Agent in accordance with this Condition 10(e), the depositor of such Note and not such Paying Agent shall be deemed to be the Holder of such Note for all purposes.

(f) ***Early redemption of Zero Coupon Notes***

Unless otherwise specified in the relevant Pricing Supplement, the Redemption Amount payable on redemption of a Zero Coupon Note at any time before the Maturity Date shall be an amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Note becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Pricing Supplement for the purposes of this Condition 10(f) or, if none is so specified, a Day Count Fraction of 30E/360.

(g) ***Purchase***

The relevant Issuer and the Guarantor (where Woolworths NZ is the Issuer) or any of their respective Subsidiaries may at any time purchase Notes in the open market or otherwise and at any price, **provided that** all unmatured Coupons are purchased therewith.

(h) ***Cancellation***

All Notes so redeemed or purchased by the relevant Issuer and the Guarantor (where Woolworths NZ is the Issuer) or any their respective Subsidiaries and any unmatured Coupons attached to or surrendered with them shall be cancelled and may not be reissued or resold.

11. **Payments - Bearer Notes**

This Condition 11 is only applicable to Bearer Notes.

(a) ***Principal***

Payments of principal shall be made only against presentation and (**provided that** payment is made in full) surrender of Bearer Notes at the Specified Office of any Paying Agent outside the United States by cheque drawn in the currency in which the payment is due on, or by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency.

(b) ***Interest***

Payments of interest shall, subject to paragraph (h) below, be made only against presentation and (**provided that** payment is made in full) surrender of the appropriate Coupons at the Specified Office of any Paying Agent outside the United States in the manner described in paragraph (a) above.

(c) ***Payments in New York City***

Payments of principal or interest may be made at the Specified Office of a Paying Agent in New York City if (i) the relevant Issuer has appointed Paying Agents outside the United States with the reasonable expectation that such Paying Agents will be able to make payment of the full amount of the interest on the Notes in the currency in which the payment is due when due, (ii) payment of the full amount of such interest at the offices of all such Paying Agents is illegal or effectively precluded by exchange controls or other similar restrictions and (iii) payment is permitted by applicable United States law.

(d) ***Payments subject to fiscal laws***

Without prejudice to the provisions of Condition 13 (*Taxation*), all payments in respect of the Bearer Notes are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment; and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, any treaty related thereto, or any law implementing an intergovernmental approach thereto ("**FATCA**"). No commissions or expenses shall be charged to the Holders or Couponholders in respect of such payments.

(e) ***Deductions for unmatured Coupons***

If the relevant Pricing Supplement specifies that the Fixed Rate Note Provisions are applicable and a Bearer Note is presented without all unmatured Coupons relating thereto:

- (i) if the aggregate amount of the missing Coupons is less than or equal to the amount of principal due for payment, a sum equal to the aggregate amount of the missing Coupons will be deducted from the amount of principal due for payment; **provided, however, that** if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of such missing Coupons which the gross amount actually available for payment bears to the amount of principal due for payment;
- (ii) if the aggregate amount of the missing Coupons is greater than the amount of principal due for payment:
 - (A) so many of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the "**Relevant Coupons**") being equal to the amount of principal due for payment; **provided, however, that** where this sub-

paragraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and

- (B) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the amount of principal due for payment) will be deducted from the amount of principal due for payment; **provided, however, that**, if the gross amount available for payment is less than the amount of principal due for payment, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the amount of principal due for payment) which the gross amount actually available for payment bears to the amount of principal due for payment.

Each sum of principal so deducted shall be paid in the manner provided in paragraph (a) above against presentation and (**provided that** payment is made in full) surrender of the relevant missing Coupons.

(f) ***Unmatured Coupons void***

If the relevant Pricing Supplement specifies that this Condition 11(f) is applicable or that the Floating Rate Note Provisions or the Index-Linked Interest Note Provisions are applicable, on the due date for final redemption of any Note or early redemption in whole of such Note pursuant to Condition 10(b) (*Redemption for tax reasons*), Condition 10(e) (*Redemption at the option of Holders*), Condition 10(c) (*Redemption at the option of the Issuer*) or Condition 14 (*Events of Default*), all unmatured Coupons relating thereto (whether or not still attached) shall become void and no payment will be made in respect thereof.

(g) ***Payments on business days***

If the due date for payment of any amount in respect of any Bearer Note or Coupon is not a Payment Business Day in the place of presentation, the Holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.

(h) ***Payments other than in respect of matured Coupons***

Payments of interest other than in respect of matured Coupons shall be made only against presentation of the relevant Bearer Notes at the Specified Office of any Paying Agent outside the United States (or in New York City if permitted by paragraph (c) above).

(i) ***Partial payments***

If a Paying Agent makes a partial payment in respect of any Bearer Note or Coupon presented to it for payment, such Paying Agent will endorse thereon a statement indicating the amount and date of such payment.

(j) ***Exchange of Talons***

On or after the maturity date of the final Coupon which is (or was at the time of issue) part of a Coupon Sheet relating to the Bearer Notes, the Talon forming part of such Coupon Sheet may be exchanged at the Specified Office of the Fiscal Agent for a further Coupon Sheet (including, if appropriate, a further Talon but excluding any Coupons in respect of which claims have already become void pursuant to Condition 15 (*Prescription*)). Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note shall become void and no Coupon will be delivered in respect of such Talon.

12.

12.1 **Payments - Registered Notes**

This Condition 12.1 is only applicable to Registered Notes (other than AMTNs).

(a) ***Principal***

Payments of principal shall be made by cheque drawn in the currency in which the payment is due drawn on, or, upon application by a Holder of a Registered Note to the Specified Office of the Fiscal Agent not later than the fifteenth day before the due date for any such payment, by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency (in the case of a sterling cheque, a town clearing branch of a bank in the City of London).

(b) ***Interest***

Payments of interest shall be made by cheque drawn in the currency in which the payment is due drawn on, or, upon application by a Holder of a Registered Note to the Specified Office of the Fiscal Agent not later than the fifteenth day before the due date for any such payment, by transfer to an account denominated in that currency (or, if that currency is euro, any other account to which euro may be credited or transferred) and maintained by the payee with, a bank in the Principal Financial Centre of that currency (in the case of a sterling cheque, a town clearing branch of a bank in the City of London).

(c) ***Payments subject to fiscal laws***

Without prejudice to the provisions of Condition 13 (*Taxation*), all payments in respect of the Registered Notes are subject in all cases to (i) any applicable fiscal or other laws and regulations in the place of payment; and (ii) any withholding or deduction required pursuant to FATCA. No commissions or expenses shall be charged to the Holders in respect of such payments.

(d) ***Payments on business days***

Where payment is to be made by transfer to an account, payment instructions (for value the due date, or, if the due date is not Payment Business Day, for value the next succeeding Payment Business Day) will be initiated and, where payment is to be made by cheque, the cheque will be mailed (i) (in the case of payments of principal and interest payable on redemption) on the later of the due date for payment and the day on which the relevant Note Certificate is surrendered (or, in the case of part payment only, endorsed) at the Specified Office of a Paying Agent and (ii) (in the case of payments of interest payable other than on redemption) on the due date for payment. A Holder of a Registered Note shall not be entitled to any interest or other payment in respect of any delay in payment resulting from (A) the due date for a payment not being a Payment Business Day or (B) a cheque mailed in accordance with this Condition 12.1 arriving after the due date for payment or being lost in the mail.

(e) ***Partial payments***

If a Paying Agent makes a partial payment in respect of any Registered Note, the relevant Issuer shall procure that the amount and date of such payment are noted on the Register and, in the case of partial payment upon presentation of a Note Certificate, that a statement indicating the amount and the date of such payment is endorsed on the relevant Note Certificate.

(f) ***Record date***

Each payment in respect of a Registered Note will be made to the person shown as the Holder in the Register at the opening of business in the place of the Registrar's Specified Office on the fifteenth day before the due date for such payment (the "**Record Date**"). (ii) not held in the Austraclear System, payments in respect of each Note will be made by crediting on the relevant payment date the amount then due to an account previously notified to the Issuer and the Australian Agent by the holder in respect of that Note. If the holder has not notified the Issuer and the Australian Agent of such an account by the time specified in the paragraph above (as applicable) payments in respect of the relevant Note will be made by cheque dispatched by post on the relevant payment date at the risk of the Holder. Cheques despatched to the nominated address of a holder will in such cases be deemed to have been received by the holder on the relevant payment date and no further amount will be payable by the Issuer in respect of the relevant Note as a result of payment not being received by the holder on the due date.

(c) ***AMTN payments – electronic transfer***

In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Agent gives irrevocable instructions in Australia for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Holder on the same day as the day on which the instructions are given.

(d) ***AMTN payments - recovery***

If a cheque posted or an electronic transfer for which irrevocable instructions have been given by the Australian Agent is shown, to the satisfaction of the Australian Agent, not to have reached the Holder and the Australian Agent is able to recover the relevant funds, the Australian Agent may make such other arrangements as it thinks fit for the effecting of the payment in Australia.

Payments of principal will be made to, or to the order of, the persons who are registered as Holders at the close of business in Melbourne on the relevant AMTN

Record Date (as defined below), subject, if so directed by the Australian Agent, to receipt from them of such instructions as the Australian Agent may require.

(f) ***AMTN payments – non-Business Days***

No commissions or expenses shall be charged to the Holders in respect of such payments.

13. **Taxation**

In that event, the relevant Issuer or, as the case may be, the Guarantor (in the case of Notes to be issued by Woolworths NZ) shall pay such additional amounts as will result in receipt by the Holders and the Couponholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Note or Coupon:

- (i) where any withholding, deduction, tax, duty, assessment or other governmental charge would not have been imposed in relation to the Note or Coupon but for the fact that such Holder or such Couponholder presented (if presentation shall be required) such Note or Coupon for payment in Australia or any of its territories, New Zealand, or any political subdivision thereof, unless such Note or Coupon could not have been presented for payment elsewhere;
- (ii) in relation to which any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge or any withholding or deduction on account of such taxes is payable;

- (iv) held by or on behalf of a Holder which is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of its having some connection with the jurisdiction by which such taxes, duties, assessments or charges have been imposed, levied, collected, withheld or assessed other than the mere holding of the Note or Coupon; or
- (v) held by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the EU; or
- (vi) where the relevant Note or Coupon or Note Certificate is presented or surrendered for payment more than 30 days after the Relevant Date except to the extent that the Holder of such Note or Coupon would have been entitled to such additional amounts on presenting or surrendering such Note or Coupon or Note Certificate for payment on the last day of such period of 30 days; or
- (vii) where such withholding or deduction is required in respect of a payment to, or to a third party on behalf of, a Holder of the Notes who is liable for the taxes in respect of the Notes by reason of the Holder of the Note being an associate of the Issuer for the purposes of section 128F(9) of the Income Tax Assessment Act 1936 of Australia or being an associated person of the Issuer as defined in subpart YB of the Income Tax Act 2007 of New Zealand; or
- (viii) where such withholding or deduction is required in respect of a payment to, or to a third party on behalf of, a Holder of the Notes, who could have lawfully avoided (but did not so avoid) such liability by providing (or procuring that any third party provides) a Tax file Number ("TFN") and/or Australian Business Number ("ABN") or evidence that the Holder of the Notes is not required to provide a TFN and/or ABN to the Issuer; or
- (ix) where such withholding is on account of New Zealand resident withholding tax imposed pursuant to subpart RE of the Income Tax Act 2007 of New Zealand; or
- (x) where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the Income Tax Assessment Act 1936 of Australia or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or any similar law; or
- (xi) where such withholding or deduction is made under or in connection with, or in order to ensure compliance with, FATCA (as withheld or deducted by the Issuer, the Agent or any other party);
- (xii) in the circumstances specified in a Pricing Supplement.

Nor shall any additional amounts be paid with respect to any payment of, or in respect of, the principal of, or any premium or interest on, any such Note or Coupon to any such Holder or Couponholder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such Note or Coupon would, under the laws of Australia (or any political subdivision or taxing authority thereof or therein), be treated as being derived or received for tax purposes by a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to such additional amounts had it been the relevant Holder or Couponholder.

(b) ***Taxing jurisdiction***

If the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) becomes subject at any time to any taxing jurisdiction other than Australia or New Zealand, as the case may be, references in these Conditions to Australia or New Zealand, as the case may be, shall be construed as references to Australia or New Zealand, as the case may be, and/or such other jurisdiction.

The relevant Issuer or (in the case of Notes to be issued by Woolworths NZ) the Guarantor defaults in the performance or observance of any of its other obligations under or in respect of the Notes and such default remains unremedied for thirty (30) days after written notice thereof, addressed to the relevant Issuer by any Holder, has been delivered to the relevant Issuer or to the Specified Office of the Fiscal Agent; or

(c) ***Cross default of Issuers or Subsidiary:***

- (iv) the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) or the Significant Subsidiaries ceases or threatens to cease to carry on all or any substantial part of its business (otherwise than (a) in the case of any Significant Subsidiary where the cessation is for the purpose of and followed by a solvent winding up, dissolution, reconstruction, merger or consolidation whereby the business, undertaking and assets of such Significant Subsidiary are transferred to or otherwise vested in the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) and/or another Significant Subsidiary, (b) in the case of any Significant Subsidiary, as a result of a disposal on arm's length terms or with respect to a part of such Significant Subsidiary's business or operations which has not contributed to the consolidated operating profit of the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) and the Significant Subsidiaries for at least three consecutive years immediately prior to the day on which this paragraph operates or (c) in each case, for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation, each on terms approved by an Extraordinary Resolution of the Holders); or

(h) ***Failure to take action, etc.***

Any action, condition or thing at any time required to be taken, fulfilled or done in order (i) to enable the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) lawfully to enter into, exercise its rights and perform and comply with its obligations under and in respect of the Notes, (ii) to ensure that those obligations are legal, valid, binding and enforceable and (iii) to make the Notes and the Coupons admissible in evidence in the

courts of England, Australia or, in the case of Notes to be issued by Woolworths NZ, New Zealand, is not taken, fulfilled or done; or

(i) ***Unlawfulness***

It is or will become unlawful for the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) to perform or comply with any of its respective obligations under or in respect of the Notes,

then any Note may, by written notice addressed by the Holder thereof to the relevant Issuer and, as the case may be, the Guarantor (in the case of Notes to be issued by Woolworths NZ) or to the Specified Office of the Fiscal Agent, be declared immediately due and payable, whereupon it shall become immediately due and payable at its Early Termination Amount together with accrued interest (if any) without further action or formality.

15. **Prescription**

Claims for interest in respect of Bearer Notes shall become void unless the relevant Coupons are presented for payment within five years of the appropriate Relevant Date. Claims for principal and interest on redemption in respect of Registered Notes shall become void unless the relevant Note Certificates are surrendered for payment within ten years of the appropriate Relevant Date.

16. **Replacement of Notes and Coupons**

If any Note, Note Certificate or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Fiscal Agent, in the case of Bearer Notes, or the Registrar, in the case of Registered Notes (and, if the Notes are then admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent or Transfer Agent in any particular place, the Paying Agent or Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system), subject to all applicable laws and competent authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the relevant Issuer may reasonably require. Mutilated or defaced Notes, Note Certificates or Coupons must be surrendered before replacements will be issued.

17. **Agents**

In acting under the Agency Agreement or the Australian Agency Agreement and in connection with the Notes and the Coupons, the Agents act solely as agents of the Issuers and (in the case of Notes to be issued by Woolworths NZ) the Guarantor and do not assume any obligations towards or relationship of agency or trust for or with any of the Holders or Couponholders.

The initial Agents and their initial Specified Offices are listed below. The initial Calculation Agent (if any) is specified in the relevant Pricing Supplement. The relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) reserve the right at any time to vary or terminate the appointment of any Agent and to appoint a successor principal paying agent or registrar or Calculation Agent and additional or successor paying agents; **provided, however, that:**

- (a) the Issuers shall at all times maintain a Fiscal Agent and a registrar; and
- (b) if a Calculation Agent is specified in the relevant Pricing Supplement, the relevant Issuer shall at all times maintain a Calculation Agent; and
- (c) if and for so long as the Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent and/or a Transfer Agent in any particular place, the relevant Issuer shall maintain a Paying Agent and/or a Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system.

Notice of any change in any of the Agents or in their Specified Offices shall promptly be given to the Holders.

18. **Meetings of Holders; Modification**

(a) ***Meetings of Holders***

The Agency Agreement or, in the case of AMTNs, the Deed Poll, contains provisions for convening meetings of Holders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the relevant Issuer, together with, in the case of Notes to be issued by Woolworths NZ, the Guarantor and shall be convened by them upon the request in writing of Holders holding not less than 10 per cent. of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be two or more Persons holding or representing one more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, two or more Persons being or representing Holders whatever the principal amount of the Notes held or represented; **provided, however, that** Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Holders at which two or more Persons holding or representing not less than 75 per cent. or, at any adjourned meeting, 25 per cent. of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Holders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of holders holding not less than 90 per cent. of the aggregate principal amount of the then outstanding Notes, who for the time being are entitled to receive notice of a meeting of Holders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Holders.

(b) ***Modification***

The Notes, these Conditions, the Deeds of Covenant, the Deed Poll and the Deed of Guarantee may be amended without the consent of the Holders or the Couponholders to correct a manifest error. In addition, the parties to the Agency Agreement or the Australian Agency Agreement may agree to modify any provision thereof, but the relevant Issuer shall not agree, without the consent of the Holders, to any such modification unless it is of a formal, minor or technical nature, it is made to correct a manifest error or it is, in the opinion of such parties, not materially prejudicial to the interests of the Holders.

19. **Further Issues**

The relevant Issuer may from time to time, without the consent of the Holders or the Couponholders, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes.

20. **Notices**

(a) ***Bearer Notes***

Notices to the Holders of Bearer Notes shall be valid if published in a leading English language daily newspaper published in Australia, New Zealand and Singapore. Any such notice shall be deemed to have been given on the date of first publication (or if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Holders of Bearer Notes.

(b) **Registered Notes**

Notices to the Holders of Registered Notes shall be sent to them by first class mail (or its equivalent) or (if posted to an overseas address) by airmail at their respective addresses on the Register. Any such notice shall be deemed to have been given on the fourth day after the date of mailing.

21. **Currency Indemnity**

If any sum due from the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer), (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) shall indemnify each Holder, on the written demand of such Holder addressed to the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) and delivered to the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) or to the Specified Office of the Fiscal Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Holder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) and shall give rise to a separate and independent cause of action.

22. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Pricing Supplement), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

23. **Governing Law and Jurisdiction**

(a) **Governing law**

The Notes (other than AMTNs) and any non-contractual obligations arising out of or in connection with the Notes are governed by English law. The AMTNs are governed by the laws of New South Wales, Australia.

(b) **Courts**

The courts of England or, in the case of AMTNs, New South Wales and courts of appeal from them, have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of or in connection with the Notes (including any non-contractual obligation arising out of or in connection with the Notes).

(c) **Appropriate forum**

The relevant Issuer and the Guarantor (where Woolworths NZ is the Issuer) agree that the courts of England or, in the case of AMTNs, New South Wales and courts of appeal from them, are the most appropriate and convenient courts to settle any Dispute and,

accordingly, waives any objection to Proceedings (as defined below) in such courts on the grounds of venue or on the grounds that the Proceedings have been brought in an inconvenient forum.

(d) ***Rights of the Holders to take proceedings outside England***

Condition 23(b) (*Courts*) is for the benefit of the Holders only. As a result, nothing in this Condition 23 (*Governing law and jurisdiction*) prevents any Holder from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, Holders may take concurrent Proceedings in any number of jurisdictions.

(e) ***Process agent for Notes other than AMTNs***

Each of the relevant Issuer and the Guarantor (where Woolworths NZ is the Issuer) agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to Hackwood Secretaries Limited at One Silk Street, London EC2Y 8HQ, United Kingdom or, if different, its registered office for the time being or at any address of the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) in Great Britain at which process may be served on it in accordance with the Companies Act 2006. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer), the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) shall, on the written demand of any Holder addressed and delivered to the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) or to the Specified Office of the Fiscal Agent appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, any Holder shall be entitled to appoint such a person by written notice addressed to the relevant Issuer and delivered to the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) or to the Specified Office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any Holder to serve process in any other manner permitted by law. This Condition applies to Proceedings in England and to Proceedings elsewhere.

FORM OF PRICING SUPPLEMENT

[The Pricing Supplement in respect of each Tranche of Notes will be substantially in the following form, duly supplemented (if necessary), amended (if necessary) and completed to reflect the particular terms of the relevant Notes and their issue.

[PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). Consequently no key information document required by Regulation (EU) No 1286/2014 (the "PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]¹

[MiFID II PRODUCT GOVERNANCE/TARGET MARKET – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.]

[SINGAPORE SECURITIES AND FUTURES ACT PRODUCT CLASSIFICATION – Solely for the purposes of its obligations pursuant to sections 309B(1)(a) and 309B(1)(c) of the Securities and Futures Act (Chapter 289 of Singapore) (the "SFA"), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA) that the Notes are "prescribed capital markets products" (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).]

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

The following section does not apply to AMTNs.

Initial Issue of Notes

Global Notes may be delivered on or prior to the original issue date of the Tranche to a Common Depository for Euroclear and Clearstream, Luxembourg.

Upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the "**Common Depository**") or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relevant Global Registered Note to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depository may also be credited to the accounts of subscribers with (if indicated in the relevant Pricing Supplement) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system ("**Alternative Clearing System**") as the holder of a Note represented by a Global Note or a Global Registered Note must look solely to Euroclear, Clearstream, Luxembourg or any such Alternative Clearing System (as the case may be) for his share of each payment made by the relevant Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Registered Notes, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or such Alternative Clearing System (as the case may be). Such persons shall have no claim directly against the relevant Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Registered Note and such obligations of the relevant Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Pricing Supplement indicates that such Global Note is issued in compliance with the provisions of United States Treasury Regulation § 1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or in a transaction to which TEFRA is not applicable (as to which, see "*Summary of the Programme — Selling Restrictions*"), in whole, but not in part, for the Definitive Notes defined and described below; and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Pricing Supplement, for Definitive Notes.

The holder of a temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the temporary Global Note for an interest in a permanent Bearer Global Note or for Definitive Notes is improperly withheld or refused.

Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder in whole but not, except as provided under "*Partial Exchange of Permanent Global Notes*" below, in part for Definitive Notes if the

permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg, or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays or otherwise) or announces an intention permanently to cease business or if any of the circumstances described in Condition 14 (*Events of Default*) occurs.

In the event that a Global Note is exchanged for Definitive Notes, such Definitive Notes shall be issued in Specified Denomination(s) only. A Holder who holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

Global Registered Notes

The following will apply in respect of transfers of Notes held in Euroclear, Clearstream, Luxembourg or an Alternative Clearing System. These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Transfers of the holding of Notes represented by any Global Registered Note pursuant to Condition 3(f) may only be made (in whole but not in part):

- (i) if the relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business; or
- (ii) if any of the circumstances described in Condition 14 (*Events of Default*) occurs, **provided that**, in the case of the first transfer of part of a holding pursuant to paragraph (i) or (ii) above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

Partial Exchange of Permanent Global Notes

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the relevant Pricing Supplement) relating to Partly Paid Notes.

Delivery of Notes

On or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the relevant Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes. Global Notes and Definitive Notes will be delivered outside the United States and its possessions. In this Offering Circular, "**Definitive Notes**" means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form scheduled to the Agency Agreement. On exchange in full of each permanent Global Note, the relevant Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

Exchange Date

"**Exchange Date**" means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of failure to pay principal in respect of any Notes when due 30 days, after that on which the notice

requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Global Registered Notes contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Offering Circular. The following is a summary of certain of those provisions:

Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes is improperly withheld or refused.

Payments on any temporary Global Note issued in compliance with the TEFRA D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for enforcement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Holders for such purpose. A record of each payment so made will be enfaced on each Global Note, which enfacement will be *prima facie* evidence that such payment has been made in respect of the Notes. For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of "Payment Business Day" set out in Condition 2(a) for the purposes of Condition 11(g).

All payments in respect of Notes represented by a Global Registered Note will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where "**Clearing System Business Day**" means Monday to Friday inclusive except 25 December and 1 January.

Prescription

Claims against the relevant Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 2).

Meetings

The holder of a permanent Global Note or of the Notes represented by a Global Registered Note shall (unless such permanent Global Note or Global Registered Note represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Holders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes. All holders of Registered Notes are entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes comprising such Holders holding, whether or not represented by a Global Registered Note.

Cancellation

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note or its presentation to or to the order of the Fiscal Agent for endorsement in the relevant schedule of such permanent Global Note or in the case of a Global Registered Note, by reduction in the aggregate principal amount of the Notes in the Register, whereupon the principal amount thereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes represented by a permanent Global Note may only be purchased by the relevant Issuer or any of its Subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer's Option

Any option of the relevant Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Holders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the relevant Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg or any other clearing system (as the case may be).

Holder's Options

Any option of the Holders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Fiscal Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time presenting the permanent Global Note to the Paying Agent and/or the Fiscal Agent, for notation.

Notices

So long as any Notes are represented by a Global Note or a Global Registered Note and such Global Note or Global Registered Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note.

Partly Paid Notes

The provisions relating to Partly Paid Notes are not set out in this Offering Circular, but will be contained in the relevant Pricing Supplement and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Partly Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). If any Holder fails to pay any instalment due on any Partly Paid Notes within the time specified, the relevant Issuer may forfeit such Notes and shall have no further obligation to their holders in respect of them.

Corporate history

The origin of the Group dates back to 1924 when Woolworths Stupendous Bargain Basement opened in Sydney and the company was listed on the Sydney Stock Exchange. The Group expanded into supermarkets and discount department stores throughout the 1950s to 1970s and moved into liquor in the 1960s. In 1983 it completed the acquisition of the Dick Smith consumer electronics business, after acquiring 60 per cent. of the business in 1981 and in 1998 it completed the acquisition of the "Dan Murphy's" business, including five large format stores in Melbourne. In 1985, the Group acquired the Australian operations of the U.S. Safeway chain. Following a brief period between 1989 and 1993 during which it was owned by Industrial Equity Limited ("**IEL**"), a private equity firm, the Group was refloated on the ASX in 1993.

In the 2002 Fiscal Year, the Group established Bruandwo Pty Ltd (now ALH Group Pty Ltd) with the Bruce Mathieson Group ("**BMG**") to acquire pubs and to gain access to retail liquor licenses in Queensland. On 31 October 2004, Bruandwo Pty Limited acquired control of the Australian Leisure and Hospitality Group Limited ("**ALH**") for a total cash consideration of approximately A\$1.3 billion.

In November 2005 the Group acquired WOW (N.Z.) Finance Limited (formerly known as Foodland N.Z. Finance Limited), the owner of Countdown, Foodtown and Woolworths branded supermarkets in New Zealand, 20 "Action" branded supermarkets and associated liquor outlets in Australia and two supermarket development sites, from Foodland Associates Limited for approximately A\$2.3 billion.

On 22 September 2012, the Group announced the sale of the Dick Smith Australian and New Zealand business to Anchorage Capital Partners.

On 30 April 2013, the Group acquired 50 per cent. of the issued capital in The Quantum Group Holdings Pty Limited ("**Quantium**"). Quantum provides data analytics capabilities to the Group.

In January 2016, the Group announced its intention to exit the Home Improvement business. On 2 October 2016, the Group completed the sale of the Home Timber & Hardware group to Metcash Limited. On 4 August 2017, the Group's joint venture agreement (held with a subsidiary of Lowe's Companies Inc) was terminated. The Group then completed the sale of Hydrox, which included the Masters business to Home Investment Consortium Trust on 11 October 2017.

On 24 December 2016, the Group announced an agreement with BP to sell its Petrol business. The Petrol business was classified as a discontinued operation at that time. This agreement was terminated on 24 June 2018. On 5 July 2018, the Group announced the continued pursuit of an exit of its Petrol business and therefore remains as a discontinued operation.

Key components of the Group's business model

The Group believes that there are a number of key components of its business model that help underpin its financial performance and position.

(1) *Leading market positions*

The Group's market positions generate significant revenues and provide scale and operating efficiencies to its retail businesses.

The Group is one of Australia's largest retailers by sales revenue and number of stores, with 3,238⁹ total retail locations in Australia and New Zealand and two retail liquor outlets in China as at 24 June 2018. The Group's total sales revenue from continuing operations in FY2017 and FY2018 was A\$54,841 million and A\$56,726 million, respectively.

The Group remains around a third larger in terms of sales than its nearest competitor in the Australian food and drinks business as at FY2018.

Additionally, at the end of FY2018, the Group remains:

- The largest supermarket retailer in Australia in terms of market share and store numbers;
- The largest liquor business in Australia in terms of market share and store numbers;
- The largest hotels business (3.7 times larger than its nearest competitor) in Australia in terms of venues; and
- The second largest supermarket retailer in New Zealand in terms of sales.

(2) *Well-recognised brand names*

The Group's well-recognised brand names assist it to engender customer loyalty, drive sales across diverse customer segments and shopping occasions, as well as satisfy a broad range of customer needs.

In Australia, the "Woolworths" brand dates back over 90 years. Woolworths Supermarkets uses "The Fresh Food People" tagline to promote its quality fresh food and groceries. The Group also has two main retail liquor brands, Dan Murphy's and BWS. Dan Murphy's is a larger liquor store format while BWS is a convenience format comprising both standalone and co-located stores with Woolworths Supermarkets. Other well-known brands in the Group in Australia include BIG W and Cellarmasters.

In New Zealand, the Countdown brand name has been in existence since 1981. Since the Group acquired Foodland N.Z. Finance Limited in 2005, it has built on the strength of the brand through its roll-out of Countdown stores and the rebranding of Woolworths Supermarkets and Foodtown stores to Countdown in New Zealand.

(3) *Predominantly non-cyclical businesses*

The Group's Australian Food, Endeavour Drinks and New Zealand Supermarkets businesses represented approximately 90% of the Group's sales revenue for both FY2017 and FY2018.

As providers of food and other basic necessities, the earnings of these operating segments have traditionally had low sensitivity to economic cycles. Australian nominal food sales have not experienced any annual declines in the past 30 years and have posted industry-wide annual growth of 2 to 11% per year since 1984.¹⁰

⁹ On a continuing operations basis, excluding wholesale customer stores.

(4) ***Geographically diverse footprint***

The Group has a geographically diverse footprint, operating businesses in all states and territories in Australia and New Zealand. This market leading position of 3,238¹¹ retail locations assists the Group to derive revenue by serving customers wherever they are located across Australia or New Zealand. It also provides scale and risk diversification benefits.

(5) ***Long history in food and grocery retailing***

The Group has a long history of food and grocery retailing providing it with the platform, systems and expertise that underpin existing operations and assist it to successfully introduce new categories, business lines and store formats.

The Group's business model centres on providing a comprehensive range of products at competitive prices and a great customer experience. Woolworths Supermarkets has also focused on improving the quality of its fruit and vegetable offer through merchandising and freshness, and seeks to improve the shopper experience for its customers in areas such as on-shelf availability, team attitude and service speed.

(6) ***Extensive relationships with customers and suppliers***

For the year ended June 2018, the Group completed more than 31 million customer transactions on average per week. The Group seeks to build on this large and diverse customer base by focusing on range, price, service and the customer experience.

As part of its customer engagement strategy, the Group has a large loyalty program. In Australia, there are now more than 10.9 million "Woolworths Rewards" members and in New Zealand, the Group's "Onecard" program has over 2.4 million active members. During the first half of FY2015, the Group also launched the MyDanMurphy's loyalty program, which now has 3.1 million members. These programs assist the Group to improve marketing efficiencies by understanding what customers want and appropriately marketing those products and services.

The Group has long-standing relationships with many of its domestic and international suppliers which assists it in providing product consistency, a diverse product range, and value for customers. In turn, this underpins sales and increased stability of earnings.

(7) ***Strong supply chain capabilities***

The Group operates extensive purchasing and distribution systems designed to assist it to efficiently manage stock levels and logistics, and to drive economies of scale in order to reduce the cost of doing business and ensure product freshness. Collectively, these systems assist the Group to provide a competitive product offering. The Group is finalising completion of a new automated distribution centre in Victoria which will further enhance its supply chain capabilities. The distribution centre is expected to be operational early in calendar year 2019.

(8) ***Digital Offering***

In FY2018, WooliesX was established in Australian Food which combined digital, e-commerce, customer loyalty and rewards, and customer services teams. The Group continues to invest in this area to build capability and improve the customer experience. Online sales in FY2018 totalled \$1.1 billion growing over 30 per cent. and online penetration exceeded 3 per cent. of Australian Food sales. Online sales have benefitted from the successful rollout and ongoing improvement in our Pick Up offer to over 1,000 locations in FY2018 with Pick Up sales increasing over 100 per cent. and now representing approximately a quarter of total online sales.

¹¹ On a continuing operations basis, excluding wholesale customer stores.

The Group's business strategies

The Group's six key strategic priorities as part of its multi-year transformation to rebuild the business are as follows:

(1) *Building a Customer 1st and Team 1st culture*

- The Group has focused on embedding a customer and store-led culture with Voice of Customer, Voice of Team and Voice of Supplier being the key measures of success. Building the culture includes a commitment to improving safety governance and developing a culture of care for customers and team members. This has also been promoted alongside a new team engagement plan, which provide short and long-term incentive plans that are aligned to the Group's Customer 1st focus.

(2) *Connected, personalised and convenient shopping experiences*

- The Group recognises the need to meet changing expectations of customers, including the way they shop with the Group. In response to this, by the end of FY2018, the Group had introduced Pick Up (previously called Click and Collect) to 2,900 Food, Drink and BIG W stores.
- The Group continues to invest and improve in the overall online experience to support the 2.5 million customers who visit the Group's customer website and mobile application on a weekly basis.

(3) *Transforming Australian and New Zealand Food*

- The store renewal program in Australia and New Zealand has been a key component of the Group's transformation journey. In FY2018, Australian Food completed 80 stores in the Renewal format and 54 upgrades.
- The Group completed its rebranding and reformulation of the Group's and Essentials' own brand products in FY2018, with over 5,000 products updated across all categories.

(4) *Evolving the Group's Endeavour drinks business*

- Sustained sales growth from the Dan Murphy's and BWS brands has been driven by a focus on range, price, convenience and service which will continue to be a focus for FY2019.
- In FY2018, the Group completed store renewals of 48 BWS stores, reflecting the Group's focus on the customer's in-store experience.

(5) *Unlocking value in the Group's Portfolio*

- The Group's Hotels business experienced a strong year in FY2018 with growth across all areas of the business. Two reviews into responsible gaming practices were completed with the outcomes announced in August 2018. As a result, the Group will implement a number of measures to support its commitment to responsible gaming.
- The Group's BIG W business made progress in its turnaround with a focus on the customer, fixing the basics and addressing engagement and culture with a new team purpose. However, the turnaround journey remains at an early stage and the embedding of new processes will be critical for BIG W's success.
- In July 2018, the Group announced a new strategic alliance with Caltex, across convenience, wholesale food, redemption, loyalty and fuel supply. The alliance increases the network of fuel sites where customers can redeem fuel discounts and earn Woolworths Rewards points, significantly expands the potential footprint of Metro stores, and locks in competitive fuel price to deliver a sustained benefit to the Petrol business.

(6) ***End-to-end process: 'better for customers' and 'simpler for stores'***

- The Group continues to invest in process improvement and systems excellence to deliver greater customer efficiencies and convenience for customers. After a three-year implementation journey, the 1Store program rollout was successfully completed across Australian Food and attached BWS stores. The new system delivers a number of productivity benefits, including increased speed at checkout, simplified store processes and reduced paperwork via new remote hand-held devices.

Overview of the Group's Business Segments

(a) **Australian Food**

(i) ***Woolworths Supermarkets***

Woolworths Supermarkets, primarily trading as Woolworths, operated 1,008 stores as at 24 June 2018 and is Australia's largest food and grocery retailer by sales revenue and number of stores. The stores generally offer a wide range of products including fresh fruit and vegetables, meat, bakery, delicatessen, seafood, frozen food, dairy, groceries, health and beauty and some general merchandise. Many stores also include serviced butcheries, scratch bakeries and in-store prepared sushi. These core supermarkets generally range from 2,000 to 4,000 square metres in trading area size and are located in shopping centres or in standalone locations. The Group also offers online shopping with home delivery, Pick Up and increasingly drive-up, drive-through or on demand options.

(ii) ***Metro***

At the end of FY2018, the Group had 33 Metro stores which is the Group's convenience food offering. The stores are smaller format stores with a range that primarily supports the mission of a Metro shopper with 'food for now', 'food for later' and a top-up grocery shop.

(iii) ***Petrol***

The Woolworths Petrol business is an adjunct to the Woolworths Supermarkets business with customers who spend over \$30 in one transaction in a supermarket receiving a 4c per litre petrol discount as part of the Woolworths Rewards programme.

In December 2016, the Group announced that it would sell its petrol business to BP, however this agreement was terminated on 24 June 2018.

In July 2018, the Group announced that it had entered a long-term alliance with Caltex across convenience, wholesale food, redemption, loyalty and fuel supply. Petrol discounts was expanded across 125 new sites within the Caltex network and Woolworths Rewards points will also be earned on fuel and merchandise at 700 Caltex sites. The Group also announced that it will continue to pursue an exit of its Petrol business, resulting in the presentation of Petrol as a discontinued operation.

(iv) ***New Zealand Food***

New Zealand supermarkets, trading under the one brand "Countdown", operated 181 stores as at 24 June 2018 and is the second largest food and grocery retailer in New Zealand by sales revenue. The stores generally offer a wide range of products including frozen food, dairy, delicatessen, fresh fruit and vegetables, meat, groceries, bakery, health and beauty and some general merchandise. These supermarkets are generally located in shopping centres or in standalone locations. Countdown also offers supermarket shopping and delivery services in New Zealand, and in June 2018, established CountdownX to ensure that the business continued its lead in digital and data.

(b) **Endeavour Drinks**

Endeavour Drinks is a major liquor retailer in Australia, operating 1,543 retail liquor outlets at 24 June 2018, including 398 liquor outlets across its liquor brands in its own right, 585 outlets operated by ALH (75 per cent. owned by the Group) and 560 supermarket attached outlets and two retail outlets in China.

The business has two major retail brands being Dan Murphy's, a larger format store with a wider range and BWS (Beer, Wine and Spirits) which is a convenience offering, some of which are co-located with a supermarket.

(c) **BIG W**

Overview

BIG W comprises the Group's discount department store operations and its associated online business, operating 183 stores as at 24 June 2018, with an average selling space of approximately 5,000 to 6,000 square metres. BIG W offers a variety of merchandise including men's, women's and children's apparel; footwear; confectionery; health and beauty products; office supplies and small appliances. BIG W offers delivery services and Pick Up through its website.

BIG W delivered the first positive year of sales growth in FY2018 for a number of years with an improvement in item growth being the primary driver. While the business reported a loss of A\$110 million in FY2018, this was below the prior year's loss and better than initial expectations. FY2018 was a year of stabilisation for BIG W with progress made on the turnaround, but there is still more to do. BIG W will continue to invest in price to regain customer trust, reset ranges in-store, improve convenience and stock availability.

(d) **Hotels**

Overview

The term "Hotels" refers to smaller pubs or bars, including those located in non-central business district locations, that also provide bars, restaurants, wagering and gambling facilities, function facilities and in some cases accommodation. The Hotels business is operated through the Group's 75 per cent. owned subsidiary, ALH. The remaining 25 per cent. of ALH is owned by BMG, a privately owned business. Under arrangements between the Group and BMG, the Group manages the retail liquor operations of ALH while BMG manages the hotel operations.

Seasonal trends and property, plant and equipment

Seasonal trends

Although the Group is supported by a high level of stability in its cash flows from operations, the Australian and New Zealand supermarkets, Endeavour Drinks and BIG W businesses do exhibit seasonal patterns with cash flows per quarter reaching their highest level in the second quarter (which includes the Christmas trading period). Supermarket sales also tend to rise during other holiday periods.

Property, plant and equipment

As at 24 June 2018, the Group operated 3,238¹² retail locations in Australia and New Zealand, with a total selling area of approximately 4.2 million¹² square metres (approximately 45.1 million¹² square feet). Properties include locations in city centre shopping areas, shopping centres, strip retail locations and freestanding stores.

As at 24 June 2018, the Group's property, plant and equipment was recorded at A\$9,026 million (25 June 2017: A\$8,438 million), held either directly, or indirectly through investments in property joint ventures.

¹² On a continuing basis. Excludes two Summergate retail liquor outlets in China, Wholesale Customer Stores and Petrol.

Intangible assets — Liquor and gaming licences

The Group is required by Australian State regulations to maintain liquor and gaming licenses for its retail liquor and hotel operations. Both types of licenses are valued at cost and the Group considers both types of licenses to have indefinite useful lives, other than in Victoria where gaming licences have a 10 year useful life. The Group does not amortise the value of the licenses other than in Victoria where gaming licences are amortised over 10 years in accordance with the licence term.

Australian regulation

As a public company listed on the ASX, the Group is subject to many business laws and regulations including, *inter alia*, the Competition and Consumer Act 2010 (the "CCA"), which includes regulations in respect of: product liability (including a statutory guarantee regime in relation to liability for product defects), anti-competitive conduct (including price fixing, output restriction, market sharing and bid-rigging) and consumer protection (including a prohibition on misleading or deceptive conduct and various other practices that are potentially harmful to consumers, including bait advertising, component pricing, referral selling and pyramid selling). The CCA also provides that "unfair" terms in standard form consumer contracts are void.

The Group is also subject to the regulation of trading hours and liquor license requirements, each of which vary between states and territories in Australia.

New Zealand regulation

The Group's operations in New Zealand are subject to business laws and regulations broadly similar in nature and scope to those in Australia. In New Zealand, the Group is subject to laws and regulations regarding *inter alia* product safety, consumer protection, consumer credit, market conduct, property planning, workplace safety and other employment-related legislation, restrictive trade practices, trading hours, retail liquor and pharmacy services. None of the securities of the Group are listed in New Zealand. Accordingly, the Group is not subject to the listing or disclosure rules of any securities exchange in New Zealand.

Employees

As at 24 June 2018, the Group employed approximately 201,500 people working in stores, support offices, call centres and distribution centres globally.

Litigation

The Group is party to certain claims and litigation in the ordinary course of business.

The Group is not currently involved in any legal proceedings that it believes will result in a material adverse effect upon its financial condition or results of operations.

Insurance

The Group carries insurance for all significant insurable risks, with the exception of workers compensation insurance, where it self-insures in all Australian states and territories except the Australian Capital Territory. Australian State legislation requires that insurance is carried against excessive workers' compensation losses (above A\$1.5 million on any one claim). In respect of public liability, the Group has insurance for events in excess of A\$500,000. The Group's liability for workers compensation and public liability risk is accounted for as the present value of future claims payments and expenses based on actuarially determined estimates.

The Group regularly reviews the ratings of its insurance providers based on Standard & Poor's ratings and requires that all primary insurers have a rating of A- or above (or equivalent with another rating agency).

TAXATION

The following is a general description of certain tax considerations relating to the Notes and is based on law and relevant interpretation thereof in effect as at the date of this Offering Circular, all of which are subject to changes and does not constitute legal or taxation advice. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in those countries or elsewhere. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries. It is emphasized that neither the Issuer nor any other persons involved in the Programme accepts responsibility for any tax effects or liabilities resulting from the subscription for purchase, holding or disposal of the Notes.

Australia

Woolworths Group Limited

*The following is a summary of the taxation treatment under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, "**Australian Tax Act**"), the Taxation Administration Act 1953 of Australia and any relevant rulings, determinations and regulations, at the date of this Offering Circular, of payments of interest (as defined in the Australian Tax Act) on the Notes to be issued by Woolworths Group Limited as the relevant Issuer under the Programme and certain other Australian tax matters. This summary is not exhaustive and should be treated with appropriate caution. In particular, the summary does not deal with the position of certain classes of holders of Notes (including, without limitation, dealers in securities, custodians or other third parties who hold Notes on behalf of other persons). In addition, unless expressly stated, the summary does not consider the Australian tax consequences for persons who hold interests in the Notes through Euroclear, Clearstream, Luxembourg or another Clearing System.*

Prospective holders of Notes should also be aware that particular terms of issue of any Series may affect the tax treatment of that and other Series of Notes. Information regarding taxes in respect of Notes may also be set out in the applicable Pricing Supplement.

This summary is not intended to be, nor should it be construed as, legal or tax advice. Prospective holders of Notes are urged to satisfy themselves as to the overall tax consequences of purchasing, holding and/or selling Notes and should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

1. Introduction

The Australian Tax Act characterises securities as either "debt interests" (for all entities) or "equity interests" (for companies) including for the purposes of Australian interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act ("**IWT**") and dividend withholding tax. In the case of "debt interests", IWT is payable at a rate of 10 per cent. of the gross amount of interest paid by the Issuer to a non-Australian resident (other than a non-Australian resident who derives the interest income in carrying on business at or through a permanent establishment in Australia) or an Australian resident who derives the interest income in carrying on business at or through a permanent establishment outside Australia, unless an exemption is available.

An exemption from IWT is available in respect of interest paid on Notes to be issued by the Issuer under the Programme if (a) the requirements of section 128F of the Australian Tax Act are met, or (b) the requirements of an applicable double tax convention are satisfied.

Unless otherwise specified in any applicable Pricing Supplement (or another relevant supplement to this Offering Circular), the Issuer intends to issue the Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

2. **Interest withholding tax**

The exemption from IWT under section 128F of the Australian Tax Act is available in respect of interest paid on the Notes issued by the Issuer if the following conditions are met:

- (a) the Issuer remains a resident of Australia and a company when it issues those Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid;
- (b) the Notes are issued in a manner which satisfies the "public offer test" in section 128F of the Australian Tax Act.

In relation to the Notes, there are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that the Issuer is offering those Notes for issue. Only one of the methods needs to be satisfied. In summary, the five principal methods are:

- offers to 10 or more unrelated persons carrying on a business of providing finance, or investing or dealing in securities, in the course of operating in financial markets;
 - offers to 100 or more investors of a certain type;
 - offers of listed Notes;
 - offers via publicly available information sources; and
 - offers to a dealer, manager or underwriter who offers to sell those Notes within 30 days by one of the preceding methods;
- (c) the Issuer does not know, or have reasonable grounds to suspect, at the time of issue, that those Notes or interests in those Notes were being, or would later be, acquired, directly or indirectly, by an associate of the Issuer, except as permitted by section 128F(5) of the Australian Tax Act; and
 - (d) at the time of the payment of interest, the Issuer does not know, or have reasonable grounds to suspect, that the payee is an "associate" of the Issuer, except as permitted by section 128F(6) of the Australian Tax Act.

Associates

An "**associate**" of the Issuer for the purposes of section 128F of the Australian Tax Act includes (i) a person or entity which holds a majority of the voting shares of, or otherwise controls, the Issuer, (ii) an entity in which a majority of the voting shares are held by, or which is otherwise controlled by, the Issuer, (iii) a trustee of a trust where the Issuer is capable of benefiting (whether directly or indirectly) under that trust, and (iv) a person or entity who is an "associate" of another person or company which is an "associate" of the Issuer under paragraph (i) above.

However, for the purposes of sections 128F(5) and (6) of the Australian Tax Act (see paragraphs (c) and (d) above), an "associate" of the Issuer does not include:

- (A) an onshore associate (i.e. an Australian resident associate who does not hold the Notes in carrying on business at or through a permanent establishment outside Australia, or a non-Australian resident associate who holds the Notes in carrying on business at or through a permanent establishment in Australia); or
- (B) an offshore associate (i.e. an Australian resident associate who holds the Notes in carrying on business at or through a permanent establishment outside Australia, or a non-Australian resident associate who does not hold the Notes in carrying on business at or through a permanent establishment in Australia) who is acting in the capacity of:
 - (i) in the case of section 128F(5), a dealer, manager or underwriter in relation to the placement of the relevant Notes, a clearing house, custodian, funds manager or

responsible entity of a registered scheme for the purposes of the Corporations Act;
or

- (ii) in the case of section 128F(6), a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme for the purposes of the Corporations Act.

Exemptions under certain double tax conventions

The Australian government has signed double tax conventions ("**Specified Tax Treaties**") with particular countries (each a "**Specified Country**"), which contain certain exemptions from IWT.

Broadly, the Specified Tax Treaties prevent IWT being imposed on interest derived by either:

- the government of the relevant Specified Country, and certain governmental authorities and agencies in the Specified Country; or
- a "**financial institution**" which is a resident of a Specified Country and which is unrelated to and dealing wholly independently with the Issuer. The term "**financial institution**" refers to either a bank or any other enterprise which substantially derives its profits by carrying on a business of raising and providing finance. However, interest paid under a back-to-back loan or an economically equivalent arrangement will not qualify for this exemption.

The Australian Federal Treasury maintains a listing of Australia's double tax conventions which provides details of country, status, withholding tax rate limits and Australian domestic implementation. This listing is available to the public on the Federal Treasury's Department website.

Notes in bearer form

Section 126 of the Australian Tax Act imposes a type of withholding tax (see rate below) on the payment of interest on debentures (such as the Notes) in bearer form if the Issuer fails to disclose the names and addresses of the holders of the debentures to the Australian Taxation Office ("ATO").

Section 126 does not apply to the payment of interest on Notes in bearer form held by non-Australian residents who do not carry on business at or through a permanent establishment in Australia where the issue of those Notes has satisfied the requirements of section 128F or IWT is payable. In addition, the ATO has confirmed that for the purposes of section 126, the holder of debentures in bearer form is the person in possession of the debentures. Section 126 is, therefore, limited in its application to persons in possession of Notes in bearer form who are residents of Australia or non-Australian residents who are engaged in carrying on business at or through a permanent establishment in Australia. Where interests in Notes in bearer form are held through Euroclear, Clearstream, Luxembourg or another Clearing System, the Issuer intends to treat the relevant operator of the clearing system (or its nominee) as the bearer of the Notes for the purposes of section 126.

The current rate of withholding tax is 45%.

Payment of Additional Amounts

As set out in more detail in the Conditions for the Notes, and unless expressly provided to the contrary in the applicable Pricing Supplement (or another relevant supplement to this Offering Circular), if the Issuer is at any time compelled or authorised by law to deduct or withhold an amount in respect of any Australian withholding taxes imposed or levied by Australia or New Zealand, or any political subdivision therein or any authority therein or thereof, in respect of the Notes, the Issuer must, subject to certain exceptions, pay such additional amounts as may be necessary to ensure that the net amounts received by the holders of those Notes after such deduction or withholding are equal to the respective amounts which would have been received had no such deduction or withholding been required. If the Issuer is required to pay such additional amounts as

a result of any change in, or amendment to Australian laws, the Issuer will have the option to redeem those Notes in accordance with the Conditions.

3. **Income Tax - Interest Payments**

Australian resident holders of Notes or non-resident holders who hold the Notes in carrying on a business at or through a permanent establishment in Australia will be required to include any interest in respect of their Notes in their Australian assessable income.

Whether the interest should be recognised as assessable income on a cash receipts or accruals basis (see also the "*taxation of financial arrangements*" summary in section 4(h) below) will depend on the individual circumstances of the Australian resident holder.

On the basis that the Issuer satisfies the requirements of section 128F of the Australian Tax Act, interest paid on the Notes to non-Australian resident holders (that do not hold their Notes in carrying on a business at or through a permanent establishment in Australia), should not be subject to Australian income tax in respect of interest payments received on their Notes.

4. **Other tax matters**

Under Australian laws as presently in effect:

- (a) ***death duties*** - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (b) ***stamp duty and other taxes*** - no *ad valorem* stamp, issue, registration or similar taxes are payable in Australia on the issue, transfer or redemption of any Notes;
- (c) ***TFN/ABN withholding*** - withholding tax (see rate below) is imposed on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number ("**TFN**"), (in certain circumstances) an Australian Business Number ("**ABN**") or proof of some other exception (as appropriate).

The current TFN withholding rate is 47%.

Assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, then withholding will not apply to payments to a holder of Notes in registered form who is not a resident of Australia and not holding those Notes in carrying on business at or through a permanent establishment in Australia. Payments to other classes of holders of Notes in registered form may be subject to a withholding where the holder of those Notes does not quote a TFN, ABN or provide proof of an appropriate exemption (as appropriate);

- (d) ***additional withholdings from certain payments to non-residents*** - the Governor-General may make regulations requiring withholding from certain payments to non-residents of Australia (other than payments of interest and other amounts which are already subject to the current IWT rules or specifically exempt from those rules). Regulations may only be made if the responsible Minister is satisfied the specified payments are of a kind that could reasonably relate to assessable income of foreign residents. The possible application of any future regulations in relation to the Notes will need to be monitored;
- (e) ***garnishee directions by the Commissioner of Taxation*** - the Commissioner may give a direction requiring the Issuer to deduct from any payment to a holder of the Notes any amount in respect of Australian tax payable by the holder. If the Issuer is served with such a direction, then the Issuer will comply with that direction and make any deduction required by that direction;
- (f) ***supply withholding tax*** - payments in respect of the Notes can be made free and clear of the "**supply withholding tax**";

- (g) **goods and services tax ("GST")** - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia;
- (h) **taxation of financial arrangements** - the Australian Tax Act contains tax timing rules for certain taxpayers to bring to account gains and losses from "financial arrangements". The rules do not alter the rules relating to the imposition of IWT nor override the IWT exemption available under section 128F of the Australian Tax Act.

In addition, the rules do not apply to certain taxpayers or in respect of certain short term "financial arrangements". They should not, for example, generally apply to holders of Notes which are individuals and certain other entities (e.g., certain superannuation entities and managed investment schemes) which do not meet various turnover or asset thresholds, unless they make an election that the rules apply to their "financial arrangements". Potential holders of the Notes should seek their own tax advice regarding their own personal circumstances as to whether such an election should be made.

Woolworths NZ

The following is a summary of certain Australian withholding tax and other specified matters, at the date of this Information Memorandum, in relation to the Notes to be issued by Woolworths NZ under the Programme and certain other matters. It is a general guide and should be treated with appropriate caution. This summary is not intended to be, nor should it be construed as, legal or tax advice to any particular holder of Notes. Prospective holders of Notes should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

This summary does not consider the tax implications for persons who hold interests in the Notes through Austraclear, Euroclear, Clearstream, Luxembourg or another clearing system.

1. Interest withholding tax

So long as Woolworths NZ continues to issue Notes at or through a permanent establishment in New Zealand, and interest paid on the Notes is wholly an outgoing incurred in carrying on business in New Zealand, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax.

2. Other tax matters

Under Australian laws as presently in effect:

- (a) **death duties** - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and
- (b) **TFN/ABN withholding** - withholding tax is imposed on the payment of interest on certain registered securities unless the relevant payee has quoted a TFN, (in certain circumstances) an ABN or proof of some other exception (as appropriate).

Woolworths NZ may be required to make such withholding on payments to holders of Notes in registered form who do not quote a TFN, (in certain circumstances) an ABN or provide proof of an appropriate exemption (as appropriate). The current TFN withholding rate is 47%; and

- (c) **garnishee directions by the Commissioner of Taxation** - the Commissioner may give a direction requiring Woolworths NZ to deduct from any payment to a holder of the Notes any amount in respect of Australian tax payable by the holder. If Woolworths NZ is served with such a direction, then Woolworths NZ will comply with that direction and make any deduction required by that direction; and

- (d) **supply withholding tax** - payments in respect of the Notes can be made free and clear of the "supply withholding tax" imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (e) **goods and services tax ("GST")** - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply which is outside the scope of the GST law. Furthermore, neither the payment of principal or interest by Woolworths NZ, nor the disposal of the Notes, would give rise to any GST liability in Australia; and
- (f) **stamp duty and other taxes** - no *ad valorem* stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes.

New Zealand

The following is a summary of the New Zealand taxation consequences generally applicable to a holder of the Notes issued by Woolworths NZ as provided in the Income Tax Act 2007 of New Zealand ("**NZ Tax Act**") and other applicable New Zealand taxation legislation, as of the date of this Offering Circular. The following is a general guide and should be treated with appropriate caution. It is not intended to be, nor should it be construed to be, legal tax advice to any particular holder of the Notes. Each holder of the Notes should contact its own tax adviser for specific advice relating to its particular circumstances.

In this New Zealand tax discussion, except where the context requires otherwise, "**holder**" means the beneficial owner of a Note, being the person beneficially entitled to interest, redemption amounts and other proceeds from the Note and not being either an associated person (as defined in subpart YB of the NZ Tax Act) of Woolworths NZ, part of a non-resident owning body (as defined in section YA 1 of the NZ Tax Act) which is treated as being associated with Woolworths NZ for the purposes of the NZ Tax Act or party to an indirect associated funding arrangement (as described in section RF 12I of the NZ Tax Act) and "**interest**" has the meaning given in the NZ Tax Act.

1. Payments of Interest under the Notes or Coupons

The New Zealand income tax treatment of payments of interest to a holder of a Note or Coupon differs as between a holder who, for the purposes of the NZ Tax Act:

- is not resident in New Zealand, and is not a Branch Holder or Bank Holder (as defined below) (a "**Non-NZ Holder**"); and
- is resident in New Zealand (a "**Resident Holder**"), or not resident in New Zealand but either derives interest on the Notes for the purposes of a business it carries on in New Zealand through a fixed establishment in New Zealand (a "**Branch Holder**") or is a registered bank (as defined in the Reserve Bank of New Zealand Act 1989 of New Zealand) engaged in business through a fixed establishment in New Zealand (a "**Bank Holder**") (Resident Holders, Branch Holders and Bank Holders together referred to as "**NZ Holders**").

Non-NZ Holders

Non-NZ Holders of the Notes will be subject to New Zealand non-resident withholding tax on payments of interest (as that term is defined in the NZ Tax Act) under the Notes ("**NRWT**").

NRWT is imposed on interest at the rate of 15 per cent. of the gross amount of the interest, although this is typically reduced to 10 per cent. where the recipient of the interest is a resident of a jurisdiction with which New Zealand has a double tax agreement (a "**DTA**") and is entitled to reliefs from New Zealand tax afforded by that DTA. Some of New Zealand's more recent DTAs reduce the NRWT to zero per cent. where the recipient is the government of the country party to the DTA or is one of certain governmental agencies thereof.

Further, NRWT will be reduced to 0 per cent. on interest paid to a Non-NZ Holder if Woolworths NZ is lawfully able to and does pay the approved issuer levy (as defined in section 86F of the Stamp and Cheque Duties Act 1971 of New Zealand) ("**AIL**") in respect of the interest. The

applicable current rate of AIL is 2 per cent. of the gross amount of the interest, reduced in some circumstances to zero per cent. of the gross amount of the interest.

Woolworths NZ will be lawfully able to pay AIL, so that NRWT is reduced to 0 per cent., provided:

- the relevant holder is a Non-NZ Holder; and
- Woolworths NZ is an "**approved issuer**" and the Note is a "**registered security**" (as each of those terms is defined in the NZ Tax Act).

Currently, Woolworths NZ is, or will be, an approved issuer and has registered, or will register, the Notes with the New Zealand Inland Revenue Department, as registered securities for the purposes of the AIL regime. Woolworths NZ will pay AIL in respect of payments of interest made or credited to Non-NZ Holders. The AIL regime will not apply where a Non-NZ Holder derives interest under a Note jointly with one or more persons, and one or more of those persons is a Resident Holder. In such circumstances, subject to any applicable DTA, the rate of NRWT imposed on the Non-NZ Holder will equate to the applicable rate of resident withholding tax (discussed under the heading "**NZ Holders**" below).

NZ Holders

Under the NZ Tax Act, NZ Holders will be subject to New Zealand resident withholding tax on interest (as that term is defined in the NZ Tax Act) derived under the Notes. NZ Holders (other than Bank Holders that are not also Branch Holders) will also generally be required to spread their interest income under the Notes or Coupons under the "financial arrangements rules" in the NZ Tax Act.

Under the NZ Tax Act, Woolworths NZ is required to deduct New Zealand resident withholding tax ("**RWT**") from the payment or crediting of interest to a NZ Holder, unless at the time of such payment the NZ Holder holds a valid RWT exemption certificate or otherwise has RWT-exempt status (as defined in the NZ Tax Act). Under the terms of issue of the Notes, NZ Holders are required to represent and warrant in favour of Woolworths NZ that they hold a valid RWT exemption certificate or otherwise have RWT-exempt status. In no circumstances will Woolworths NZ be required to make any additional payment ("**gross-up**") to a holder on account of RWT.

In order to ensure the correct treatment of a payment to a NZ Holder for withholding tax purposes, immediately upon being issued or acquiring the beneficial interest in a Note, a NZ Holder must:

- (a) notify Woolworths NZ that the NZ Holder is the holder of a Note;
- (b) provide Woolworths NZ with a copy of the NZ Holder's RWT exemption certificate or provide confirmation that the NZ Holder has RWT-exempt status (as applicable); and
- (c) notify Woolworths NZ if it holds a Note jointly with a Non-NZ Holder.

Further, a NZ Holder must notify Woolworths NZ of any change in the NZ Holder's circumstances from those previously notified that could affect Woolworths NZ's payment obligations in respect of any Note. In particular, a NZ Holder must immediately notify Woolworths NZ if it ceases to hold, or ceases to be lawfully able to hold, a valid RWT exemption certificate or RWT-exempt status.

A NZ Holder, by accepting payment of the full face amount of a Note or any interest, principal, premium or other proceeds thereon, on any Interest Payment Date, the Maturity Date or Early Redemption Date, or other payment date agrees to indemnify Woolworths NZ for all purposes in respect of any liability Woolworths NZ may incur for not deducting any amount from such payment on account of RWT and (in the case of a Note under which the NZ Holder derives beneficially interest or other amounts jointly with one or more persons, and one or more of those persons is a Non-NZ Holder) NRWT.

While the Notes are held in Euroclear or Clearstream, Luxembourg, or any other clearing system, neither Euroclear, Clearstream, Luxembourg nor any such other clearing system nor any depository for any clearing system as a holder of Notes shall be responsible to any of its account holders who

are NZ Holders credited with respect to such Notes (nor shall they be required to enquire as to the identity of any such account holders), Woolworths NZ, or any other person with regard to the provision of information, providing copies of RWT Exemption Certificates or confirmation of RWT-exempt status, or otherwise in connection with New Zealand tax.

Only NZ Holders will be obliged to make the notifications and provide the information referred to above and no other holder will be required to make any certification that it is not a NZ Holder.

2. New Zealand Withholding Tax Treatment of Premiums Payable at Redemption

Any premium paid to a holder on redemption of a Note will be treated as interest for the purposes of the RWT, NRWT and AIL regimes and will therefore be treated for New Zealand withholding tax purposes in the same way as interest, as described in Section 1 above. NZ Holders will be subject to New Zealand income tax on premiums, including (where applicable) spreading requirements under the financial arrangements rules.

3. New Zealand Withholding Tax Treatment of Repayment of Principal

No New Zealand withholding tax will be imposed on the redemption or repayment of the principal amount of a Note, except to the extent the amount paid on redemption or repayment is a premium exceeding the original issue amount of the Note, which will be taxed as described above.

4. Payments under the Guarantee of the Notes

If Woolworths NZ defaults on a payment of interest (including premium) under the Notes, and the Guarantor pays an amount corresponding to that interest to a holder, that amount may be treated as interest for the purposes of the RWT, NRWT and AIL regimes and will therefore be treated for New Zealand withholding tax purposes in the same way as interest. NZ Holders will be subject to resident withholding tax on payments under the Guarantee of the Notes of amounts corresponding to interest, including (where applicable) spreading requirements under the financial arrangements rules.

If Woolworths NZ defaults on the redemption or repayment of the principal amount of any Notes, no New Zealand tax will be imposed on an amount paid by the Guarantor corresponding to that principal, except to the extent the amount corresponds to a premium exceeding the original issue amount of the Notes.

5. New Zealand Income Tax on Profit on Sale or Disposal of Notes

A profit on the sale or other disposal (including repayment on maturity) of a Note by a:

- Resident Holder; or
- a Branch Holder,

will be brought to tax under the financial arrangements rules.

No New Zealand income tax will be imposed on any profit on the sale or other disposal (including repayment on maturity) of a Note by a:

- Non-NZ Holder; or
- Bank Holder (that is not also a Branch Holder),

provided the relevant holder is a resident of a jurisdiction with which New Zealand has entered into a DTA and is entitled to full relief from New Zealand tax afforded by that DTA.

A Non-NZ Holder or Bank Holder (that is not also a Branch Holder) who does not have DTA relief would generally be subject to New Zealand income tax on gains realised on the sale of Notes or Coupons only if, for the purposes of the NZ Tax Act:

- the gains are of an income (and not capital) character (i.e. the holder is a dealer in securities, or acquired the Notes for the purpose of sale or pursuant to a profit-making scheme); and
- the gains have a New Zealand source.

6. **Other Taxes**

Neither the issue, transfer, redemption nor payment of interest under the Notes will have any New Zealand goods and services tax consequences. No stamp duty or other transfer taxes will apply to transfers of the Notes.

The proposed financial transactions tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "**Commission's proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances.

Under the Commission's proposal, FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the Commission's proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional European Union Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

United States Foreign Account Tax Compliance Act

The Foreign Account Tax Compliance Act provisions of the U.S. Hiring Incentives to Restore Employment Act of 2010 ("**FATCA**") establish a new due diligence, reporting and withholding regime. FATCA aims to detect U.S. taxpayers who use accounts with "foreign financial institutions" ("**FFIs**") to conceal income and assets from the U.S. Internal Revenue Service ("**IRS**").

Under FATCA, a 30% withholding may be imposed (i) in respect of certain payments of U.S. source income, (ii) from 1 January 2019 in respect of gross proceeds from the sale or disposition of property that produce interest or dividends which are U.S. source income and (iii) no earlier than 1 January 2019, in respect of "foreign passthru payments" (a term which is not yet defined under FATCA), which are, in each case, paid to or in respect of entities that fail to meet certain certification or reporting requirements ("**FATCA withholding**").

A FATCA withholding may be required if (i) an investor does not provide information sufficient for any financial institution through which payments on the Notes are made to determine whether the investor is subject to FATCA withholding or (ii) an FFI to or through which payments on the Notes are made is a "non-participating FFI".

If the Notes are treated as debt for U.S. federal income tax purposes and the payment is made under a grandfathered obligation, FATCA withholding is not expected to apply. Generally, a grandfathered

obligation is any obligation issued on or before the date that is six months after the date on which final regulations defining the term "foreign passthru payment" are filed with the U.S. Federal Register.

Under the Australia-U.S. and New Zealand-U.S. intergovernmental agreements (each, an "IGA") and implementing legislation, certain Australian and New Zealand financial institutions must comply with specific due diligence procedures to identify their account holders (e.g. the Holders) and provide their local tax authority with information on financial accounts (for example, the Notes) held by U.S. persons and recalcitrant account holders. The tax authorities are required to provide such information to the IRS. Consequently, Holders may be requested to provide certain information and certifications to any financial institutions through which payments on the Notes are made in order for such financial institutions to comply with their FATCA obligations.

A Reporting Australian Financial Institution or Reporting New Zealand Financial Institution that complies with its obligations under the Australian IGA or the New Zealand IGA, as applicable, will not generally be subject to FATCA withholding on amounts it receives, and will not generally be required to deduct FATCA withholding from payments it makes with respect to the Notes, other than in certain prescribed circumstances.

No additional amounts paid as a result of FATCA withholding

In the event that any amount is required to be withheld or deducted from a payment on the Notes as a result of FATCA, pursuant to the terms and conditions of the Notes, no additional amounts will be paid by the Issuer as a result of the deduction or withholding.

Whilst the Notes are in global form and held within the Common Depositaries, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuers, the Guarantor, any paying agent and the Common Depositary, given that each of the entities in the payment chain between the Issuers and the participants in the Common Depositaries is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an intergovernmental agreement will be unlikely to affect the securities. The documentation expressly contemplates the possibility that the securities may go into definitive form and therefore that they may be taken out of the Common Depositaries. If this were to happen, then a non-FATCA compliant holder could be subject to withholding. However, definitive notes will only be printed in remote circumstances. Further, foreign financial institutions in a jurisdiction which has entered into an intergovernmental agreement are generally not expected to be required to withhold under FATCA or an intergovernmental agreement (or any law implementing an intergovernmental agreement) from payments they make (as discussed above).

FATCA is particularly complex legislation. Investors should consult their own tax advisers to determine how FATCA and the IGAs may apply to them under the Notes.

OECD Common Reporting Standard

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information ("CRS") requires certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Holders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed a CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement. The Australian Government has enacted legislation amending, among other things, the Taxation Administration Act 1953 of Australia to give effect to the CRS. The New Zealand Government has similarly enacted legislation amending the Tax Administration Act 1994 of New Zealand such that CRS applies in New Zealand from 1 July 2017.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

The dealer agreement (the "**Dealer Agreement**") dated 5 October 2018, sets out the basis upon which Dealer may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "*Form of the Notes*" and "*Terms and Conditions of the Notes*". The relevant Issuer and (in the case of Notes to be issued by Woolworths NZ) the Guarantor and the Dealers will agree the commissions, expenses and other arrangements in relation to each Tranche of Notes.

In order to facilitate the offering of any Tranche of the Notes, certain persons participating in the offering of the Tranche may engage in transactions that stabilise, maintain or otherwise affect the market price of the relevant Notes during and after the offering of the Tranche. Specifically, such persons may over-allot or create a short position in the Notes for their own account by selling more Notes than have been sold to them by the relevant Issuer. Such persons may also elect to cover any such short position by purchasing Notes in the open market. In addition, such persons may stabilise or maintain the price of the Notes by bidding for or purchasing Notes in the open market and may impose penalty bids, under which selling concessions allowed to syndicate members or other broker-Dealers participating in the offering of the Notes are reclaimed if Notes previously distributed in the offering are repurchased in connection with stabilisation transactions or otherwise. The effect of these transactions may be to stabilise or maintain the market price of the Notes at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid may also affect the price of the Notes to the extent that it discourages resales thereof. No representation is made as to the magnitude or effect of any such stabilising or other transactions. Such transactions, if commenced, may be discontinued at any time. Stabilising activities may only be carried on by the Stabilising Manager(s) named in the applicable Pricing Supplement (or persons acting on behalf of any Stabilising Manager(s)) and only for a limited period following the Issue Date of the relevant Tranche of Notes.

In connection with each Tranche of Notes issued under the Programme, the Dealers or certain of their affiliates may purchase Notes and be allocated Notes for asset management and/or proprietary purposes but not with a view to distribution. Further, the Dealers or their respective affiliates may purchase Notes for its or their own account and enter into transactions, including credit derivatives, such as asset swaps, repackaging and credit default swaps relating to such Notes and/or other securities of the relevant Issuer or its Subsidiaries or affiliates at the same time as the offer and sale of each Tranche of Notes or in secondary market transactions. Such transactions would be carried out as bilateral trades with selected counterparties and separately from any existing sale or resale of the Tranche of Notes to which a particular Pricing Supplement relates (notwithstanding that such selected counterparties may also be purchasers of such Tranche of Notes).

Selling Restrictions

United States of America

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States except in accordance with Regulation S under the Securities Act pursuant to an exemption from the registration requirements of the Securities Act. Each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that it has not offered or sold, and will not offer or sell, any Notes constituting part of its allotment except in accordance with Rule 903 of Regulation S under the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

European Economic Area

Unless the Pricing Supplement in respect of any Notes specifies the "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made

available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Offering Circular as completed by the Pricing Supplement in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression "retail investor" means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**") ; or
 - (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the "**Insurance Mediation Directive**") , where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the "**Prospectus Directive**") ; and
- (b) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes;

If the relevant Pricing Supplement in respect of any Notes specifies "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Offering Circular as completed by the Pricing Supplement in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the Pricing Supplement in relation to the Notes specifies that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "**Non exempt Offer**"), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, **provided that** any such prospectus has subsequently been completed by the Pricing Supplement contemplating such Non exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Pricing Supplement, as applicable and the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) has consented in writing to its use for the purpose of that Non exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (b) to (d) above shall require the relevant Issuer or the Guarantor (where Woolworths NZ is the Issuer) or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "**Prospectus Directive**"

means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

United Kingdom

Each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that:

- (a) in relation to any Notes which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the Financial Services and Markets Act 2000 (the "FSMA") by the Issuer or the Guarantor (where Woolworths NZ is the Issuer);
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer and (in the case of Notes to be issued by Woolworths NZ) the Guarantor; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

The Netherlands

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not and will not make an offer of Notes which are the subject of the offering contemplated by this Offering Circular as completed by the Pricing Supplement in relation thereto to the public in The Netherlands in reliance on Article 3(2) of the Prospectus Directive unless:

- (a) such offer is made exclusively to persons or legal entities which are qualified investors (as defined in the Dutch Financial Supervision Act (in Dutch: *Wet op het financieel toezicht*, the "FSA") and which includes authorised discretionary asset managers acting for the account of retail investors under a discretionary investment management contract) in The Netherlands; or
- (b) standard logo and wording are disclosed as required by article 5:20(5) of the FSA; or
- (c) such offer is otherwise made in circumstances in which article 5:20(5) of the FSA is not applicable,

provided that no such offer of Notes shall require the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expressions (i) an "**offer of Notes to the public**" in relation to any Notes in the Netherlands; and (ii) "**Prospectus Directive**", have the meaning given to them in the paragraph above headed "*European Economic Area*".

Zero Coupon Notes (as defined below) in definitive form may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of the relevant Issuer or a member firm of Euronext Amsterdam N.V., admitted in a function on one or more markets or systems held or operated by Euronext Amsterdam N.V., in accordance with the Dutch Savings Certificates Act (*Wet inzake spaarbewijzen*) of 21 May 1985 (as amended) and its implementing regulations.

No such mediation is required: (a) in respect of the transfer and acceptance of rights representing an interest in a Zero Coupon Note in global form; (b) in respect of the transfer and acceptance of Zero Coupon Notes in definitive form between individuals who do not act in the conduct of a business or profession; (c) in respect of the initial issue of Zero Coupon Notes in definitive form to the first holders thereof; or (d) in respect of the transfer and acceptance of such Zero Coupon Notes within, from or into The Netherlands if

all Zero Coupon Notes (either in definitive form or as rights representing an interest in a Zero Coupon Note in global form) of any particular Series or Tranche are issued outside The Netherlands and are not distributed into The Netherlands in the course of initial distribution or immediately thereafter.

In the event that the Savings Certificates Act applies, certain identification requirements in relation to the issue and transfer of, and payments on, Zero Coupon Notes in definitive form have to be complied with.

As used herein "**Zero Coupon Notes**" are Notes that are in bearer form and that constitute a claim for a fixed sum against the relevant Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been, or will be, lodged with the ASIC or any other regulatory authority in Australia. Each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that, unless an applicable Pricing Supplement (or a supplement to this Offering Circular) otherwise provides, it:

- (a) has not offered or invited applications, and will not offer or invite applications for the issue, sale or purchase of the Notes in, to or from Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, the Offering Circular or any other offering material or advertisement relating to any Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency, and in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation otherwise does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a "**retail client**" as defined for the purposes of Section 761G of the Corporations Act;
- (iii) such action complies with all applicable laws, regulations and directives in Australia (including, without limitation, the licensing requirements set out in Chapter 7 of the Corporations Act); and
- (iv) such action does not require any document to be lodged with ASIC, or any other regulatory authority in Australia.

New Zealand

No product disclosure statement or similar document has been or will be prepared, lodged or registered in relation to the Programme or any Notes under the Financial Markets Conduct Act 2013 (NZ) ("**NZ FMC Act**") and no action has been taken to permit the Notes to be directly or indirectly offered or sold to any retail investor, or otherwise under any regulated offer, in terms of the NZ FMC Act.

Each Dealer has represented, warranted and undertaken, and each further Dealer appointed under the Programme will be required to represent, warrant and undertake, that Notes are not and will not be offered, sold or delivered, directly or indirectly, nor will any product disclosure statement, information memorandum, advertisement (as defined in the NZ FMC Act) or offering material in relation to the Programme or to any offer of the Notes be distributed, in New Zealand other than:

- (i) to any person who is an investment business (as defined in clause 37 of Schedule 1 of the NZ FMC Act), or
- (ii) to any person who is large (as defined in clause 39 of Schedule 1 of the NZ FMC Act), or

- (iii) to any person who is a government agency (as defined in clause 40 of Schedule 1 of the NZ FMC Act).

For the avoidance of doubt, the Notes may not be directly or indirectly offered, sold or delivered to, amongst others, any "eligible investors" (as defined in clause 41 of Schedule 1 of the NZ FMC Act) or to any person who, under clause 3(2)(b) of Schedule 1 of the NZ FMC Act, meets the investment activity criteria specified in clause 38 of that Schedule.

Each Dealer has represented, warranted and undertaken that it will not subscribe for, offer, sell or deliver any Notes, or distribute any product disclosure statement, information memorandum, advertisement (as defined in the NZ FMC Act) or offering material relating to the Programme or Notes, in a manner which constitutes a regulated offer under the NZ FMC Act. In particular, no Dealer will offer for sale any Notes to any person in New Zealand in breach of the NZ FMC Act, or as if it were being offered under a regulated offer under the NZ FMC Act or in circumstances which may result in either of the Issuers or their respective directors incurring any liability.
