# Continuous Disclosure Policy

## 1. PURPOSE

This Policy outlines the processes adopted by Woolworths Group Limited (Woolworths or the Group) to comply with its continuous disclosure obligations.

## 2. SCOPE

This Policy applies to all directors, employees, consultants and contractors (team members) of Woolworths in relation to information of which they become aware (or ought reasonably to become aware) in the course of their duties.

## 3. PRINCIPLES OF APPROACH TO CONTINUOUS DISCLOSURE

- If Woolworths becomes aware of any Market Sensitive Information, and the exceptions set out in the ASX Listing Rules do not apply, Woolworths will notify the ASX promptly and without delay.
- Team members must notify a Disclosure Officer as soon as they become aware of information that may be Market Sensitive Information that has not been previously notified to ASX, or if they believe any prior disclosure is inaccurate or incomplete.
- Team members who possess information that may be Market Sensitive Information must preserve the confidentiality of that information until it is disclosed in accordance with this Policy.
- Board review, and where appropriate, approval, is required in respect of matters that the Board has determined are 'Reserved Announcements' (section 8 below).
- Routine and administrative lodgements with the ASX in accordance with applicable listing rule requirements may be prepared and approved by the Company Secretary.

## 4. MARKET SENSITIVE INFORMATION

Market Sensitive Information is information that a reasonable person would expect to have a material impact on the price or value of Woolworths shares, and which is not already generally available.

## 5. MATERIALITY

Determining if a matter is material involves quantitative and qualitative considerations. A matter may have low financial value but still be considered material due to its potential to significantly impact Woolworths' reputation or strategy.

If a team member is in doubt about whether a matter is material, they should ask a Disclosure Officer.

The Disclosure Committee may adopt guidelines (financial and qualitative) for materiality of information and make determinations whether a matter is or is not material.

A variance between the Group's forecast earnings and the market consensus (as determined through consideration of analyst forecasts) of less than 5% would generally be treated as not material, whereas a variation of more than 5% would generally be treated as material. Woolworths will also take into account market expectations, including analyst forecasts, when considering whether a matter is material.

## 6. EXCEPTIONS TO THE OBLIGATION TO DISCLOSE

The ASX Listing Rules contain specific exceptions in relation to the disclosure of Market Sensitive Information. Woolworths is generally not required to disclose Market Sensitive Information immediately to the ASX if:

- disclosure of the information would be a breach of the law OR the information concerns an incomplete proposal or negotiation OR the information is insufficiently definite to warrant disclosure OR the information has been generated for internal purposes or is a trade secret, and
- the information is confidential, and
- a reasonable person would not expect the information to be disclosed.

The possible application of an exception does not relieve any team member of the obligation to notify Market Sensitive Information to a Disclosure Officer under this Policy (section 3 above). The Disclosure Committee will decide whether such an exception properly applies.

## 7. DISCLOSURE COMMITTEE

The members of the **Disclosure Committee** are the Managing Director & CEO (CEO), the Chief Financial Officer (CFO) and the Chief Legal Officer (CLO). Each of these are a Disclosure Officer. The Head of Investor Relations and Company Secretary have a standing invitation to attend. The Disclosure Committee is chaired by the CLO (or in his/her absence and as their alternate, the Company Secretary).

The Chair of the Board, or in his/her absence, the Chair of the Audit & Finance Committee (AFC) or another member of the AFC, will be invited to any meeting of the Disclosure Committee relating to market disclosure of a matter that does not involve a Reserved Announcement (which requires review by the Board, as outlined in section 8 below).

The Disclosure Committee will act through those of its members as are reasonably available. The Disclosure Committee may meet as frequently as required and may meet at short notice where necessary. Decisions of the Disclosure Committee may be made in meetings or via electronic communications between the members.

References to the Disclosure Committee are to be interpreted as references to the relevant available member or members, and the actions of those members will be considered to be the actions of the Disclosure Committee.

The **Disclosure Committee** is responsible for:

- Woolworths' compliance with its disclosure obligations, including that announcements are made in a timely manner, are accurate and not misleading, and are presented in a clear, balanced and objective way
- deciding what information will be disclosed by Woolworths to the ASX, and determining materiality guidelines (financial and qualitative)
- approving material announcements for release to the ASX (other than Reserved Announcements, which require review by the Board, or any other announcement reviewed by the Board (or its delegate) as a matter of course)
- requesting a trading halt in Woolworths' shares, after consultation with the Chair or, in his/her absence, the AFC Chair or another member of the AFC
- consulting on the content of proposed major announcements, including, as appropriate with Woolworths' management, external advisers and members of the Board, and
- reviewing Woolworths' periodic disclosures, announcements and presentations.

### **Trading Halts**

In circumstances where it is not possible to contact the Chair of the Board, the Chair of the AFC or another member of the AFC, or in emergency circumstances, the available members of the Disclosure Committee may request for a trading halt. Any such decision and ASX release must be communicated to the Board immediately.

## **8. ROLE OF THE BOARD**

The Board has ultimate responsibility for the Group's compliance with its continuous disclosure obligations. Announcements regarding the following matters are 'Reserved Announcements' that require Board review and, where appropriate, approval:

Team members also attend broker-sponsored investor conferences or supplier-sponsored events or conferences. At any such events, Woolworths will not disclose any information that is likely to be Market Sensitive Information, which has not already been disclosed to the ASX. The following protocols will be followed:

- Any written material to be used at a briefing must be provided in advance for review by a Disclosure Officer (who is not the author of the material)
- A Disclosure Officer, or another person authorised by them, should be present at the briefing
- Appropriate records of the briefing should be kept for a reasonable period after the briefing

### **Analyst reports**

Analysts frequently prepare reports on Woolworths shares that contain performance and financial forecasts. Woolworths acknowledges the importance of analyst reports in facilitating the operation of the market in an informed and efficient manner. Woolworths will not endorse any such reports, or provide consensus information, and will restrict its comments to factual matters and information which has been previously disclosed to the ASX by Woolworths.

### **Inadvertent disclosure, mistaken non-disclosure and market speculation**

If Market Sensitive Information is inadvertently made public, or a team member becomes aware of Market Sensitive Information that should be disclosed or of public speculation about non-public Market Sensitive Information, a Disclosure Officer must immediately be contacted so that appropriate action can be taken, including, if required, by making an announcement to the ASX.

### **Pre-results blackout periods**

To prevent inadvertent disclosure of Market Sensitive Information, during the period between the end of a relevant financial reporting period and the date of the results announcement relating to that financial reporting period, team members must not discuss any financial information with investors, analysts or the media, unless the information being discussed has previously been disclosed to the ASX. These blackout periods are detailed in our Securities Trading Policy.
