

CREATING BETTER EXPERIENCES

Together

Dear Fellow Shareholder

F20 has been a challenging year, but I am extremely proud of the way our team has contributed to navigating this extraordinary period. I am delighted that many of our team members are also now shareholders of Woolworths Group after receiving shares as part of our recognition program. As we enter F21, you should be rest assured of our commitment to making COVIDSafe a part of everything we do and building out our COVIDCare plans to address mental wellbeing. We have a purposeful, experienced, and resilient team, our business is in a strong financial position, and we are focused on continuing to create better experiences for our customers, team and shareholders.

CEO, Brad Banducci

Dividend update

- The record date is 2 September 2020
- The dividend will be paid on 6 October 2020
- DRP will operate with no discount

Better Together Recognition Award

To recognise extraordinary efforts in F20 the Better Together Recognition Award was announced in early June. Many of our team members are now first-time shareholders of Woolworths Group, creating the largest employee share ownership plan in Australia and New Zealand, covering over 106,000 team members. The awarding of shares is also an acknowledgement that our team has a critical role to play in the future of Woolworths Group.

What we're doing to help everyone remain COVIDSafe

Earlier this month we launched the Woolworths Group COVIDSafe website to provide a central place for you to see everything relating to COVID for all our retail businesses (Woolworths, BIG W, Dan Murphy's and BWS). As well as practical information and updates (such as social distancing and use of face coverings), it also includes information on broader issues like helping manage mental health. The site will continue to be updated as we learn more about what's most useful for our customers and communities to know.
