

Dear Shareholder

Today we announced our half-year results for F20. It was a strong half for the Group with all businesses reporting solid sales and EBIT growth. I want to also acknowledge the impact that the bushfires, floods and ongoing drought are having on many communities and share our gratitude to all of those that have directly and indirectly supported the relief efforts. We are committed to contributing to the rebuilding of local communities wherever we can. We have also provided an update today on the salaried store team member remediation announced in October last year and the work that has been done since to correct this. We remain committed to paying team members any money owed as soon as possible.

CEO, Brad Banducci
