PRESS RELEASE

Customers warned over fake Dan Murphy's 'friends and family' offer

Woolworths Limited, owners of Dan Murphy's, has warned customers that a flyer circulating via email offering 'friends and family 30% off flyer at Dan Murphy's' did not originate from Dan Murphy's or Woolworths Limited.

The offer states that family and friends receive 30% off all stock between 25-28 November, but this offer is not authorised or valid.

Woolworths Limited regrets any confusion this bogus offer has caused customers.
