PRESS RELEASE

Donate to Salvos NZ Earthquake appeal at Woolworths checkouts

All Woolworths supermarkets and Dick Smith stores are accepting donations through the checkout for the Salvation Army's Canterbury Earthquake Appeal.

Customers can donate at regular and self service checkouts with the amount added to their transaction. All donations over \$2 receive a tax acknowledgement on the shopper docket.

As of today, donations to the Salvation Army made in-store will be directed to the NZ earthquake appeal. The Salvation Army flood appeal has now concluded with more than \$17 million raised and donated.

Woolworths operates a number of Countdown supermarkets and Dick Smith stores in Canterbury/Christchurch. Our thoughts are with staff and customers during this devastating time.
